Meat Ration Will Be 1 1/3 Pounds Per Week Per Person

Restrictions "Shortly" Aimed at Cutting Consumption—Two Meatless Days in Cafes

OTTAWA, July 6 (CP).—Donald Gordon, Prices Board chairman, announced tonight that resumed meat rationing will call for a ration of about one and one-third pounds a person a week of actual meat, roughly equivalent to two pounds on a carcass basis.

The new ration, effective "shortly," will represent a reduction in the allowance of ordinary meats per person compared with the previous period of meat rationing from May 27, 1943, to February 29, 1944. In that period each consumer could use two coupons a week of varying values depending on the type of meat purchased.

These values ranged from one-half pound a coupon for smoked and cooked meats to one and one-quarter pounds for such cuts as blade roasts and beef—and a number of lamb and veal cuts with the bone left in.

Prime Minister Mackenzie King announced today that meat rationing would be resumed to allow further exports of meat for the relief of starving Europe.

Mr. Gordon, as head of the board which will administer meat rationing, said:

1. "We shall proceed as rapidly as we possibly can to re-introduce meat rationing." The introduction of coupons at the general consumer level will take "at least two months."
2. Control of slaughter will be effective immediately.
3. Meatless days on Tuesdays and

From Europe Day by Day—

THE TIMES, London

News and Comment on International Events selected from The Times daily and published in The Daily Colonist by special arrangement with The Vancouver Daily Province.

COPYRIGHT, 1945, by Southern Co. LONDON, July 6.—Recreation of the Provisional Government of Poland by Britain and the United States, says The Times, brings to an end the anomaly of two Polish Governments.

Free and unfettered elections must now be held in Poland but the date is uncertain for conditions are altogether abnormal and hundreds of thousands of Poles are away from their country. The new Government can now claim to speak for the mass of the nation's peasants as well as for the industrial workers.

Now large-scale reforms, especially in land ownership, are necessary and settlement of the Polish farmers on former German territory must be undertaken quickly. Production and redistribution must be reorganized if the peasants are to be prosperous.

One crippling disability is that 250,000 Polish soldiers are scattered all over Europe—in Italy and elsewhere. Hundreds of thousands of deported Polish civilians are in the British and United States zones in Germany. "They should return to Poland but there is no question that anyone should be sent back against his will."

As for the Polish Government in London now to be liquidated, The Times says it would be "monstrous and unforgivable" to maintain what could henceforth only be wrecking activities.

Describing Berlin as a bombed city with British soldiers voting amid the ruins, The Times' special correspondent says Berliners have paid a fearful price for their rejoicings when Hitler's armies were overrunning Europe. The city is still prostrate from the cataclysm of war that has swept over it.

Inhabitants are mainly women, children and old men who say they have nothing to live for save to produce their daily food.

Their lined faces, unseeing eyes and lean bodies bear testimony to their long ordeal under air bombardment. Though Goebbels made light of air raids, Berliners say thousands of people died in them.

There is only a mere trickle of movement along the broad avenues

Uganda Sailors Look With Interest at Mighty British Carrier

Canadian Sailors Serving Aboard H.M.C.S. Uganda Gather at the Stern of Their Ship to Watch With Pride the Mighty British Aircraft Carrier, H.M.S. Formidable, During a Fleet Exercise in the Pacific. A Number of Victorians Are in the Uganda, Which Is Expected to Play a Notable Role in the Forthcoming Operations of the British Pacific Fleet.

Churchill At Hendaye

LONDON, July 6 (Reuters).—Prime Minister Churchill has arrived at Hendaye on the Franco-Spanish border, the Spanish radio said tonight, quoting reports from San Sebastian.

The Spanish news agency Melchior said it was reported Gen. De Gaulle, head of the French Provisional Government, would go to Hendaye to see Mr. Churchill.

PARIS, July 6 (AP).—Gen. De Gaulle's headquarters announced today he has accepted an invitation from President Truman to visit Washington next month.

In Washington there was no immediate White House comment.

May Take Over Old Hotel at Vancouver

VANCOUVER, July 6 (CP).—The city of Vancouver may take over operation of the old Hotel Vancouver as a hostel for servicemen, it was learned today.

Eric Gold, special representative of Finance Minister Isley, discussed this city's acute housing problems with the council earlier this week and expects to talk with Mayor Jack Cornett in Ottawa, Monday.

Meanwhile the council has air-mailed a report on alternative opinion concerning the old hotel, to the mayor.

Two British Papers Say Protest Understandable

LONDON, July 7 (Saturday) (CP).—The Daily Telegraph said today causes of window-breaking outbreaks at Aldershot by Canadian repatriation troops were "entirely comprehensible," while The Daily Express also came to the defence of the Canadian Army.

Under the heading "browned off," The Daily Telegraph stressed the length of time Canadian soldiers had been overseas and added: "Now that many of them are going home, the restraint which was imposed has become difficult... the deservedly high reputation of Canadian troops in this country will certainly not be affected by the incident... whose causes are entirely comprehensible."

The Daily Express, devoting its entire editorial column to the matter, was similarly free of criticism.

"Let it never be forgotten," said the newspaper owned by Canadian-born Lord Beaverbrook, "that these Canadians who now are so anxious to get home have been in England longer than troops of any other ally."

Summing up the Canadians' battle record, The Express said: "Wherever the fight was bloody... there Canadian blood was shed without stint."

The Express urged "every effort must be made to speed the departure home of Canadian soldiers."

"It suggested shipping was a problem and reallocation of shipping to be made with the United States, which has the most transports in view of the Canadians' longer service."

CANADIAN EXODUS FROM THE TOWN

London newspapers today also reported a Canadian exodus from the town. The Daily Express said: "Hour by hour last night's worded convicts of Canadian troops left fewer than 2,000 Canadians were left."

Superforts in Raid on Four Enemy Cities

Honshu Industries Blasted With Fire Bombs—Australians Secure Entrances to Oil Harbor

GUAM, July 7 (Saturday) (AP).—An important oil refinery near Osaka and four Japanese cities on Honshu were attacked early today by about 600 Marianna-based Superfortresses with nearly 4,000 tons of incendiary and demolition bombs.

Kofu, Chiba and Shimizu, in the Tokyo area, and Shimonoseki and Akashi were the cities raided.

It was the first fire bomb attack by B-29's on Kofu, Chiba, Shimizu and Akashi. Both Akashi and Chiba have undergone pinpoint bombing before.

Today's raid may have been made by a record number of the sky giants, although nearly 600 participated in the June 25 strike against four Japanese cities.

More than 100 low-based Mustang fighter planes prowled the Tokyo area less than 12 hours before, for the third straight day in their search for the Japanese Air Force.

Thirty-three Japanese planes were destroyed or damaged in the air or on the ground in yesterday's fighter sweeps, making a three-day total of 81.

The fighters found virtually no opposition again yesterday. One squadron covered nine Japanese airfields but saw only piles of junked planes.

Of nine Japanese planes sighted in the air one was shot down and six others damaged. The fighters strafed a dozen Tokyo airfields, losing only one plane.

MANILA, July 7 (Saturday) (AP).—Australian 7th Division troops hopped three miles across broad Balikpapan Bay under intense Allied naval gunfire cover, Thursday, and secured both entrances to Borneo's largest oil harbor, a communiqué disclosed today.

This new amphibious operation marked Peninsular Point, where the Japanese had mounted strong coastal batteries, and then the Aussies thrust inland against scanty opposition.

Other Australian units are closing in on refineries still held by the enemy in the Balikpapan area, the communiqué announced.

In all Borneo operations, including those on the north coast, 3,031 Japanese dead have been counted and 274 prisoners taken, the communiqué said.

Allied casualties are 214 dead, 22 missing and 420 wounded, the communiqué announced.

Fighter-bombers of the United States 5th Air Force again have swept over the west coast of Kyushu without meeting any enemy interception, a communiqué announced today.

Huge Forest Fire Rages Out Of Control Near Ladysmith

Several Hundred Men Now on Mount Majuba

Fire which started yesterday afternoon in felled and bucked timber of the Comox Logging Co., Ltd., high on Mount Majuba, ten miles southeast of Ladysmith, was raging out of control in a large area early this morning, according to company officials.

Smoke from the huge fire drifted in clouds towards Ladysmith, and gave the sunset an orange glow.

Officials said the fire might have started from friction of cables which smouldered unnoticed for an hour. The camp closed for the day at 2 p.m. because of the intense heat and the fire was discovered an hour later.

Five fighting operations are being directed by C. Holmes, Nanaimo forest supervisor, assisted by E. W. Cowie, another forest official.

Several hundred employees of the company and members of the Forestry Department are endeavoring to bring the fire under control. A number of bulldozers were brought in to make fire trails, but due to the steep incline and rough ground, were forced to drop out. Portable fire pumps are being used.

Flow of Supplies to Calcutta Gives Hint of Big Operations

CALCUTTA, July 6 (Reuters).—The same feeling of big operations impending that Southern England experienced just before the Normandy invasion was in the air here today, as thousands of tons of new equipment, weapons and supplies poured in from Europe.

A great air and seaborne caravan was bringing the new war material from British ports to Admiral Lord Louis Mountbatten's Southeast Asia base.

Shoulder-flashes familiar from Normandy to the Rhine have appeared. Southeast Asia Command is being supplied speedily and powerfully with surplus arms and armor from Europe.

Coming events in this theatre will call for intimate support and close integration of air, land and sea forces and preparations for this are in progress.

Ten Killed in New Fighting

BEYRUTH, July 6 (AP).—At least ten persons were killed and 45 wounded in rioting between soldiers and civilians at Latakia Thursday after a child was run over and killed by a French military car, it was announced tonight.

Separate British and French communiqués agreed that the trouble started with the child's death. The British communiqué said ten persons were killed and 45 wounded and that three of the killed and eight of the wounded were French soldiers. The French said three soldiers and 20 civilians were killed and "some" soldiers wounded.

Both reports said three French soldiers were stabbed to death in isolated fights. Some soldiers in the town hurried to their barracks, and then fired on the townspeople with rifles, grenades, and mortars, the reports said, and natives returned the fire.

Argentina Warned

MONTEVIDEO, July 6 (AP).—The newspaper El Diario said today that Argentinean, had told Vice-President Col. Juan Peron that if Argentina "decided to attack the integrity or the freedom of North American correspondents it would have to abide by the consequences."

The paper, quoting a "very good source," said the "serious incident" showed Mr. Braden was acting "according to extremely severe instructions, perhaps emanating from the new Secretary of State Byrnes."

Production Down

OTTAWA, July 6 (CP).—Canadian production declined in volume during May, the Dominion Bureau of Statistics reported today, and the index of industrial employment receded from 196.9 in April to 178.3, contrary to the usual seasonal movement of pre-war years. Wholesale prices rose slightly.

Mineral production was at a slightly higher level in May, but the output of coal declined from 1,316,000 to 1,172,000 tons.

The index of manufacturing production receded from 271 in April to 264, the standing in May, 1944, having been 267.3.

MONTREAL, July 6 (CP).—On the eve of meat rationing in Canada, a campaign led by investigators of the Prices Board here against black market meat operators today resulted in 15 meat dealers arraigned in court on charges of having paid prices for pork and pork products above ceiling prices.

Japan Apologizes

LONDON, July 6 (CP).—Japan has apologized to Switzerland and offered to pay damages for the deaths of 12 Swiss nationals in Manila, the Swiss radio said tonight.

Continued on Page 2

Union Jack Over Berlin

BERLIN, July 6 (Reuters).—The Union Jack was hoisted in Berlin today—and soon afterwards British troops in the German capital learned that no accommodation had been arranged for them before they arrived.

There had been a misunderstanding between the British and Russian Governments, Brig. O. M. Wales, commanding number four lines of communication area, Berlin, explained in an order of the day to his troops. He added that he was taking steps to make them more comfortable.

A veteran Guardsman of the Dunkirk evacuation, C.S.M. Eric Cole, unfurled the flag at the foot of Berlin's Victory Memorial in the Charlottenburger Chaussee. The pipe band of the Argyll and Sutherland Highlanders, of Hamilton, Ont., and other bands played "The Royal Salute," and a combined British and Canadian guard of honor, under Maj. John Farmer, of Hamilton, Ont., was mounted.

A British-Canadian provost unit, under Lieut. Gilbert MacDonald, of Wilkie, Sask., lined the parade route and handled traffic, assisted by men from the Royal Edmonton Regiment and Les Fusiliers Mont-Royal, Montreal.

Switzerland Acts

BERN, July 6 (AP).—The Swiss Federal Council (Cabinet) announced today that Switzerland had recognized the new Polish Provisional Government of National Unity.

Need Permit to Export Sheep

OTTAWA, July 6 (CP).—The Trade Department announced today that an export permit will be required immediately for all shipments of live sheep and lambs from Canada.

The announcement said that resumption of meat rationing in Canada, effectively shortly, made it desirable to conserve available stocks of sheep and lambs for domestic requirements by re-imposing export permit control on shipments consigned to any destination.

OTTAWA, July 6 (CP).—The Prices Board announced tonight a one-week extension of the higher price period for new potatoes and said that the 1945 potato crop has been delayed because of backward growing conditions and Canada must therefore depend on United States imports for a period, "somewhat longer than had been anticipated."

A statement said the first seasonal reduction in producer price ceilings for new potatoes, which was to have taken place July 15, now will become effective July 22.

Nicaragua First To Ratify Charter

MANAGUA, Nicaragua, July 6 (AP).—The charter of the United Nations was approved by Congress and ratified by the President today. Nicaragua thus became the first nation to accept formally the compact written at the San Francisco Conference.

Canada Recognizes Polish Government

OTTAWA, July 6 (CP).—Prime Minister Mackenzie King announced tonight that the Canadian Government has recognized the Polish Provisional Government of National Unity, following similar action by Britain and the United States.

The announcement said the Canadian Government "expects in due course to exchange diplomatic representatives with the provisional government."

Say C.B.C. to Drop News Commentators

VANCOUVER, July 7 (CP).—(Saturday).—The News-Herald said in a front page story today that the Canadian Broadcasting Corporation will drop all regular daily news commentators from its local and coast-to-coast programs on July 13.

It has been decided to do this, it was learned, because with the European war over, domestic news will come more to the fore and it is considered to be beyond the function of the C.B.C. to voice comment on domestic news, the paper said.

"C.B.C. daily headlines affected by the new order will include Elmore Philpott, of Vancouver, and Willson Woodside, of Toronto."

Ousting Japs From Southeast Asia British Empire Project

SOUTHEAST ASIA COMMAND HEADQUARTERS, July 6 (CP).—Cleanup of Japanese lingering in the Southeast Asia Command has become solely a British Empire project with a token representation of

the last of the Chinese and American troops who helped win North Burma and reopened the land route to China are being replaced, many of them going to the China theatre.

The campaign in Lower Burma and the capture of Rangoon were strictly jobs for Empire troops and the fighting beyond, for Thailand and Malaya to Singapore, likewise will have its personnel drawn from Britain, East and West Africa, India, Nepal (Gurkhas) and the Burma hill tribes such as Karens, Kachins and Chins.

Allied land forces, Southeast Asia, is expected to continue as the operational force under Lt.-Gen. Sir

Oliver Leese as the land-fighting deputy of Admiral Lord Mountbatten.

Rangoon is headquarters for the British Twelfth Army and, as Lord Mountbatten has said, will be a

springboard for further advances in a wide area of Southeast Asia. But the upcoming attacks will be mounted from various localities to converge on the final goal—Singapore.

The dissolving of the Eastern Air Command under United States Lt.-Gen. George C. Stratemeyer leaves the air effort strictly a job dominated by the R.A.F., aided by Dominion and Colonial flyers.

The British East Indies Fleet, formerly known as the Allied Eastern Fleet, includes the French battleship Richelieu and the Dutch

hull leader Tromp, both of which have served on several missions both as "Allied" and as "British" ships. They are expected to be in on the

kill at Singapore.

Aldershot

Continued from Page 1

Aldershot, until by midnight in the town. The Daily Sketch, without giving authority for the statement, said the town would "be clear of all Canadian troops by noon today."

ALDERSHOT, England, July 6 (CP).—Aldershot's shopping district—scene of window-smashing outbreaks by Canadian repatriation troops on Wednesday and Thursday nights—was clear of troops and civilians before midnight tonight and reinforced military and civil police said they expected the night to pass without serious incident.

Canadian troops were virtually all in barracks at 10:30 p.m.—the permanent military curfew hour in this army town but ignored by soldiers during the two nights of demonstrations mainly in protest against repatriation delays caused by the shipping shortage.

Provost and town police took no chances while curious crowds of Aldershot residents and British and Canadian soldiers milled about the shattered business area during the evening.

A couple of intoxicated Canadian soldiers were taken into custody when they began shouting unintelligibly and a report that four Canadians were sighted in the woods near the town carrying baseball bats was quickly investigated. However, they proved to be sentries on duty and no other incidents developed.

It was reported about a half-dozen of the 100 Canadian soldiers taken into custody after Thursday night's riot were being detained as participants. A number of others have been dealt with as being A.W.L. and some have been released.

BRITISH TROOPS OUTNUMBER CANADIANS

The tense atmosphere of early evening diminished with darkness. By then, British troops outnumbered Canadians on the streets, patrolled by 300 extra military and British civilian police to smother any recurrence of rioting, which resulted in damaging of more than 200 business premises in two nights.

Canadian troops had not been confined to barracks and many were in restaurants, theatres and pubs. Everywhere could be seen "groups of two provost corps men and two civilian police and provost trucks patrolling the business district."

Canadian army trucks rumbled through the streets of this old garrison town, carrying to embankment or other camps soldiers due for repatriation. It was from the repatriation ranks that the Wednesday and Thursday night window-smashers came.

The window-smashing was described by Lt.-Gen. P. J. Montague, chief of staff at Canadian Military Headquarters in London, as a "senseless and cowardly action" and "senseless vandalism."

The Press Association quoted an unnamed Canadian army officer as saying the rioting was caused by "conscripts." The Canadian Press reporter was attempting to trace the accuracy of the officer's statement, but so far had not been able to confirm any suggestion that conscripts were involved.

The two outbreaks involved Canadian army personnel attached to repatriation depots here, awaiting shipping to Canada en route to Far East war theatres or for discharge. Today 2,500 of these men went to embarkation ports and 500 more will go tomorrow. Hundreds of Aldershot citizens watched the de-

Cadets at Transition Stage as Admiral Inspects Them

—R.C.N. Photo.

Smart young cadets about to graduate as midshipmen from the Royal Canadian Naval College at Royal Roads, Wednesday afternoon, being inspected by the commanding officer, Pacific Coast, Rear Admiral Brodeur, C.B.E., R.C.N. Here the admiral is seen striding between two lines of cadets, who are still wearing the lanyards which are symbols of cadetship. Later during the ceremony they removed the lanyards, signifying their promotion to the rank of midshipmen.

parture of the troops, who were in full kit.

Indicative of Canadian military authorities' intention to keep numbers of the troops in the Aldershot area as low as possible, was the announcement that troops in eight groups were on leave had their leave extended to July 10. The number of men affected by the action is more than 1,500.

SOLDIERS HELP TO CLEAR DEBRIS

Meanwhile, shopkeepers along Wellington Street, Union Street, High Street, Victoria Street and Station Road had, by nightfall tonight, cleared up the debris with the help of soldiers, civilians and Italian prisoners of war. Scarcely a window was left unbroken along these business thoroughfares. Places are boarded up just like the days when enemy bombs and rockets were a constant threat.

On the basis of Canadian Military Headquarters figures Friday, movements to ports alone totaled 2,500 and some others were known to have been taken from Aldershot to other inland camps.

I talked to many Canadian troops, Canadian provost and civilian police and Aldershot residents, and all said they were of the opinion further trouble could be avoided.

Meanwhile a county police survey showed a big increase in damage reported after Thursday night's demonstration. The final figures were 611 large plate glass windows and 167 smaller panes broken in 202 properties. Although fewer men were involved, the damage was greater than on Wednesday night when 87 windows were broken in 25 business places.

General Montague, in a letter to Aldershot's mayor, J. W. White, said a "small irresponsible group" was responsible for the damage—a statement backed up by Canadian non-commissioned officers who said eight to ten ringleaders were responsible for most of the destruction Thursday, moving from street to street breaking glass with iron bars, pieces of broken furniture, bricks, stones and even boots.

"The rest of the group followed along like sheep," said one sergeant. **GENERAL SENDS SINCERE APOLOGY**

General Montague today wrote a letter of apology to Mayor J. W. White, of Aldershot.

General Montague expressed sincere regret for the damage done to the town and promised that everything possible would be done to compensate those who suffered.

The action of the group, said the general's letter, "has earned them the contempt of the great majority of the Canadian Army overseas." The letter added:

"During five and a half years of war Canadian soldiers have lived among the people of Britain. They have shared their dangers, sorrows and joys. Out of this common experience a real friendship has been born. It has been, therefore, with a feeling of anger and shame that all decent Canadians have learned of the stupid acts of vandalism perpetrated on their British friends by an irresponsible minority.

"We trust that your justifiable indignation at the conduct of these men will not destroy the firm friendship which exists between us, forged and tempered by the fires of war."

—R.C.N. Photo.

"Best all-round cadet entering the R.C.N." was the proud distinction conferred Wednesday on this Victoria youth, Midshipman William Ogilvie, of 1075 St. David Street. He also topped the graduating class academically in final examinations but the award for that triumph reverted to the runner-up. Here young Ogilvie is seen receiving an officer-of-the-watch telescope from Admiral Brodeur. At left is the college's gunnery and sports officer, Lieut. Fred Brewer, R.C.N., of Toronto.

Meat Ration

Continued from Page 1

Friday will be enforced in restaurants and other eating places, beginning Friday, July 13.

The ration machinery will be more complicated than in the previous system as generally speaking, all meats will be included while in the last ration some were not. Poultry will not be covered by the new ration system.

Ration tokens will be introduced which may be used to make purchases of small amounts of perishable meats.

Canadian meat consumption on the proposed ration will be reduced to about 130 pounds per capita carcass weight, this total including supplies provided for restaurants and other eating places. The present consumption has been estimated at 141 pounds per capita.

In view of the delays inevitable in the matter of printing, the manufacture of the ration tokens and gathering the necessary staff organization we intend to bring the ration machinery into operation in stages," said Mr. Gordon.

Pending the actual operation of rationing on the consumer level, the Prime Minister has made an appeal for the voluntary reduction of meat consumption as a means of making the maximum amount available to the distressed areas of Europe, Mr. Gordon said.

It was almost impossible to compare the new Canadian ration with the amounts available to United Kingdom and United States consumers.

In the United Kingdom, the bacon and ham ration of four ounces a week was separated from other meats which can be bought to the extent of one suilling and two pence each week. In the United States, other foods such as butter, margarine, cheddar cheese, canned milk and certain canned fish are included in the general ration of meats on the basis of point values.

"The best estimate we have seen on yearly per capita consumption of meat alone on a rationed basis is 107 pounds carcass weight for the United Kingdom; about 125 pounds

in the United States for the second quarter of this year; in Australia, 176 pounds, and New Zealand—208 pounds, recently reduced about 20 per cent," Mr. Gordon said.

"Canada on the proposed ration would be reduced to about 130 pounds per capita.

"These comparisons can be very misleading because of differing systems of distribution and statistical analysis as well as geographic and climatic differences affecting the consumption of meat."

The estimated Canadian per capita figure includes all quota users, such as hotels, restaurants and other eating places, and special users such as ships' stores and troop movements. Simple arithmetical calculations based on individual ration point values alone are, therefore, invalid."

Meat rationing was a complex operation and success of the plan did not depend on regulations or staff but on the willingness of the Canadian people to make it work.

"We have a good record in this country for the high degree of individual support given during the past years to conservation programs and I am very confident that, with the added objective of providing food for the unfortunate people of war-ravaged Europe, we will continue to receive widespread support for the rationing regulations," Mr. Gordon said.

Refuses to Oust Press From Court

VANCOUVER, July 6 (CP).—Disapproval of the practice of excluding members of the press and public from the courts during the hearing of a case was expressed by Judge Bruce Boyd in County Court here today.

During the hearing of the appeal of Walter Hull from sentence to two years for contributing to juvenile delinquency, Thomas A. Dohm, counsel, requested that the court be cleared.

He said that since the future of two 15-year-old girls, involved in the case, might be affected by facts to be brought out, he believed the hearings should be held in camera and referred to exclusion of the press from Mr. Justice A. M. Manson's court in Victoria during the hearing of a will case recently.

Judge Boyd refused to close the court, stating that the press and public had a right to know of the proceedings.

Hull's sentence was confirmed by the judge but it was set back to be effective from the time of his arrest in April.

Hull was apprehended in a downtown rooming-house in company with the two girls, one of whom was said to be hysterical and intoxicated at the time.

Empty bottles of vanilla extract and canned heat were found in the room.

Rupture Troubles Ended
Thousands have got advanced method for repairing ruptured arteries. No more surgery. No more hospitalization. No more pain. No more expense. Guaranteed. Write for information and trial offer.

British Columbia Law Society Has 82nd Annual Meeting Here

Interchangeability of trial and appeal court, judges and a better distribution of duties for county court judges was asked in a report to the Law Society of British Columbia by G. V. Pettit, Vancouver, at the 82nd annual meeting in the Empress Hotel yesterday.

The true situation is that judges should remain at the work for which they are appointed and not accept duties on commissions. Joseph McKenna charged. He said this was the principal reason why some courts are not complete as to personnel.

The matter was referred to the benchers for consideration, with the request that it be forwarded for discussion to the bar associations.

In a report on the appointment of King's Counsel, R. H. Tupper, Vancouver, said that the committee had urged on Hon. R. L. Maitland, Attorney-General, that appointments be made by a form of recommendation. Mr. Tupper said that there may be changes in the act but the committee did not succeed fully in its aims.

In a later discussion, H. A. Beck, with said British Columbia could set a fashion for Canada by abolishing the appointment of King's Counsel, by wiping it out and deciding in the future that all members of the legal profession are His Majesty's Counsel and presumably learned in law.

C. H. Locke, Vancouver, was re-elected treasurer of the Law Society. Senator J. W. deB. Farris reported that it might be granted for granted that the money will be available to start a faculty of law at the University of British Columbia in the Autumn, but warned that the sanction of the Senate and governors would be needed.

ASKS GOVERNMENT FOR \$10,000 GRANT
Senator Farris stated he had appealed to Premier John Hart to make \$10,000 available for establishment of a faculty this year, and he believed the Government would authorize such an expenditure and larger sums in the future. Members of the bar would have to be prepared to contribute voluntary lectures this year, but there would be a fully-organized staff, including a dean, next year.

Plans for the establishment of a Law Society of British Columbia War Memorial Endowment Fund to perpetuate the memories of the members of the profession who gave their lives in the war will be worked out by the benchers and faculty of the university. It was ruled after a report by J. B. Clearhugh, K.C. The endowment fund will assist in the establishment of a faculty of law.

A motion by Mr. Clearhugh that the Federal Government be requested to enact a statute amending the Divorce Law of Canada to conform with the English-Matrimonial Causes Act of 1937 was carried. In addition to no divorces for three years, causes for divorce in the act are adultery, desertion for three years, gross cruelty, incurable unsoundness of mind after five years, and presumption of death. It also amends grounds for conditions of nullity.

An amendment by Mr. McKenna that the Federal Government be requested to attain an amendment to the British North America Act to give it the power to delegate to the provinces the right to legislate on laws governing marriage was defeated.

Canada's divorce laws were termed archaic, hopeless and impossible by W. H. M. Haldimand, president of the Victoria Bar Association. The meeting was unanimous in condemning the present laws.

Brig. Sherwood Leitch, D.S.O., M.C., E.D., Vancouver, former deputy chief of staff and commander of the Fourth Infantry at Dieppe, Kiska, and on "D" Day, was the speaker at a luncheon.

Ready to View Sun's Eclipse
WINNIPEG, July 6 (CP).—Scientists experts will move into Western Canada during the week-end for observations of the total eclipse next Monday morning between 7 a.m. and 7:30 a.m., C.D.T.

In Winnipeg, citizens will see about 96 per cent of the sun's disk obscured by the moon but further west the eclipse will be 100 per cent for little more than half a minute.

Scientists, seeking to study many unsolved riddles of the solar atmosphere, will take up positions at various points. The total eclipse will begin at sunrise. It will start in the State of Idaho and pass across Saskatchewan, Manitoba, Greenland, Norway, Finland and end in the Ural Mountains in Russia.

An American expedition, sponsored by The Philadelphia Bulletin, will observe the eclipse from Wolfley, Sask., 60 miles east of Regina, where the totality will be about 34 seconds. Dr. Roy K. Marshall, director of the Fels Planetarium at Franklin Institute, will head the party.

A Canadian expedition, including G. E. Lesieur, of the Dominion Observatory staff, and A. G. Cameron, a Winnipeg astronomical student, will go to an observation post at Churchill, Man.

Three other groups, members of the Milwaukee Astronomical Society, will go to Pine River, 250 miles northwest of Winnipeg, to Sand Island, 200 miles north of Winnipeg, and to God's Lake, in Northeastern Manitoba.

The scientists hope to get information on the effect of sunspots, radio reception and photographic data on the flash spectrum—the shell of glowing gaseous matters around the sun visible during totality.

Experts from Canada's armed services will take part in the observations—the first since 1932. They will include Cmdr. J. J. Kingston, chairman of the Canadian Radio Wave Propagation Committee, a Royal Canadian Navy volunteer reserve officer, Frank T. Davies, geophysicist on the staff of the National Research Council, Ottawa, and attached to the navy.

Others will be G. W. McLesch and C. K. Jones, of the council's radio and physics divisions, and Sgt. Ldr. P. M. Millman, R.C.A.F., in charge of the aerial photographic operations and co-ordinating the astro-physical observations.

Points where magnetic and radio observations will be made also include Chelsea, Que., Prince Rupert, B.C., and St. John's, Nfld. The radio stations of the three armed services, Department of Transport, Canadian Broadcasting Corporation and the Marconi Company of Canada will lead a hand in special radio transmission measurements.

New Bishops Named

OTTAWA, July 6 (CP).—The Apostolic Delegate to Canada tonight announced that His Holiness Pope Pius XII has appointed two new bishops to the Roman Catholic hierarchy of Canada, both in the West.

Rev. Anthony Jordan, O.M.I. 43, has been appointed vicar apostolic of Prince Rupert, B.C., and titular bishop of Bada and Rev. Henry Routhier, O.M.I. 45, as titular bishop of Nauyas and co-adjutor of the vicar apostolic of Grouard, Alta.

The announcement said Rev. Jordan succeeds the late Bishop Buns, O.M.I., who died June 3 this year. Up to the present Bishop-Elect Jordan has been superior of the Holy Rosary Benedictines of the Apostolic in Ottawa and previously was pastor of St. Augustine Church in Vancouver.

ment of a faculty this year, and he believed the Government would authorize such an expenditure and larger sums in the future. Members of the bar would have to be prepared to contribute voluntary lectures this year, but there would be a fully-organized staff, including a dean, next year.

Plans for the establishment of a Law Society of British Columbia War Memorial Endowment Fund to perpetuate the memories of the members of the profession who gave their lives in the war will be worked out by the benchers and faculty of the university. It was ruled after a report by J. B. Clearhugh, K.C. The endowment fund will assist in the establishment of a faculty of law.

A motion by Mr. Clearhugh that the Federal Government be requested to enact a statute amending the Divorce Law of Canada to conform with the English-Matrimonial Causes Act of 1937 was carried. In addition to no divorces for three years, causes for divorce in the act are adultery, desertion for three years, gross cruelty, incurable unsoundness of mind after five years, and presumption of death. It also amends grounds for conditions of nullity.

An amendment by Mr. McKenna that the Federal Government be requested to attain an amendment to the British North America Act to give it the power to delegate to the provinces the right to legislate on laws governing marriage was defeated.

Canada's divorce laws were termed archaic, hopeless and impossible by W. H. M. Haldimand, president of the Victoria Bar Association. The meeting was unanimous in condemning the present laws.

Brig. Sherwood Leitch, D.S.O., M.C., E.D., Vancouver, former deputy chief of staff and commander of the Fourth Infantry at Dieppe, Kiska, and on "D" Day, was the speaker at a luncheon.

From Europe
Continued from Page 1

in central Berlin as people trudge along with bowed heads and burdened backs.

In tribute to the late Premier Curtin of Australia, The Times says he was a man who inspired everyone with complete confidence in his sincerity and disinterested patriotism. When he attended the Prime Ministers' Conference in London last year, he made the same impression on British opinion as he left nothing but good will and appreciation behind on his journey through Canada and the United States.

The Allies are now near the end of their immense task of repatriating men and women brought by the Nazis into Germany as slave workers. Three millions two hundred and sixty thousand have already been sent home out of 5,800,000 found in Western Europe.

Prospects of settlement in Levant continue to be remote, says The Times' Beirut correspondent. The Syrians and Lebanese refuse to have any direct negotiations with the French and insist the dispute must be handled by an international conference. They also refuse to give the French any naval or air bases.

Only when the French have withdrawn altogether will the Levantine states consider negotiating treaties with other countries. As Britain holds bases in neighboring countries and the United States has landing grounds, the French resent refusal of similar facilities for the Far Eastern war.

Describing the destruction from two nights of window-smashing as "futile, stupid and cowardly," the newspaper asked: "The English have put up with air raids, V-1's and V-2's—God knows what during this war—do they now have to look on Canadian soldiers as a type of post-war threat?"

The editorial reiterated that the main reason the "repatriates" and others were kept close to Aldershot is to take advantage of ships which may become available suddenly. Shipping, it said, is allocated on a world pool "and not one man will return to Canada an hour faster if all the windows in England are smashed."

"If the Canadians can't believe themselves in plate glass zones, they'll have to be removed to areas where there is nothing to break, stay, the bleak downs, where there are no pubs or theatres or anything approaching civilization. That's just the spot the rioters have placed the Canadian soldiers in."

Concerned About Sugar Reduction

Vitaly concerned about the 15 per cent sugar reduction which came into effect on July 1, members of Victoria branch of the Canadian Restaurant Association will hold a special committee meeting on Monday night at 2515 Beech Drive, according to O. B. Taylor, president of the local branch.

Asked how the restaurants planned to cope with the reduction of sugar, Mr. Taylor thought it likely that coffee and tea drinkers would henceforth be allowed only one level teaspoonful of loose sugar. He said that one sugar lump contained more sugar than a teaspoonful.

"It is certain that customers will not be able to ask for more sugar," he declared.

Serving of loose sugar, strictly on request of the customer, would also prevent a practice which has been going on for several months, another restaurant owner stated. "He referred to persons who do not use sugar in their beverages but ask for two or three lumps, and then take it home."

Other restaurant owners claimed the reduction would affect the quality of fruit syrups.

B.C. Suffers If Rates Increased

VANCOUVER, July 6 (CP).—British Columbia stands to suffer more than any other Canadian province if the Canadian railways boost freight rates across the Dominion, W. F. McCintock, chairman of the transportation committee of the Canadian Manufacturers' Association, British Columbia division, said today in commenting on a report that the C.P.R. and C.N.R. were planning to apply for a freight rate increase.

"If they get an increase," said Mr. McCintock, "it would be harder on British Columbia than any other province because our freight rates are already higher than elsewhere."

"If we can get the Mountain differential case argued first and settled in our favor, with the removal of that discrimination against British Columbia, and with the end of the war, then would be the time for the railways to apply for increased rates under normal conditions."

settled in our favor, with the removal of that discrimination against British Columbia, and with the end of the war, then would be the time for the railways to apply for increased rates under normal conditions.

"With rate discriminations removed throughout Canada, then all the provinces could get together as a unit."

"But at the present time there is no justification for the railways seeking a rate increase."

"It is true the costs of materials and other costs have gone up. But that is more than repaid by the tremendous tonnage of freight they are hauling and the passenger volume they are carrying."

Soldiers' Paper Blasts Rioters
LONDON, July 6 (CP). The Maple Leaf, the Canadian troops' newspaper, today blasted the Aldershot rioters, saying "thousands of Canadian soldiers are darn good and angry with this motley group of hoodlums."

"Hoodlums who 'tossed the good name of Canada to the dogs'—reputation won by the blood of thousands of men, to speak of nothing else—have richly earned the indignity of the bulk of the Canadian army overseas."

Describing the destruction from two nights of window-smashing as "futile, stupid and cowardly," the newspaper asked: "The English have put up with air raids, V-1's and V-2's—God knows what during this war—do they now have to look on Canadian soldiers as a type of post-war threat?"

The editorial reiterated that the main reason the "repatriates" and others were kept close to Aldershot is to take advantage of ships which may become available suddenly. Shipping, it said, is allocated on a world pool "and not one man will return to Canada an hour faster if all the windows in England are smashed."

"If the Canadians can't believe themselves in plate glass zones, they'll have to be removed to areas where there is nothing to break, stay, the bleak downs, where there are no pubs or theatres or anything approaching civilization. That's just the spot the rioters have placed the Canadian soldiers in."

Taken Prisoner
HOESCHT, Germany, July 6 (CP).—The man who headed the espionage activities of the great I. G. Farbenindustrie was in military custody today as the United States Army completed seizure of the management, assets and plants of the organization in the American zone of occupied Germany.

Records of the United States Group Control Council listed him as Dr. Max Ignier, 47, an ardent Nazi, signer and Dr. Herman Schmidt, principal director of Farbenindustrie, were held in Frankfurt for questioning about the intricate affairs of the industry whose war-making powers the American group has branded as a "major threat to the peace and the security of the postwar world."

Ignier was the head of Farbenindustrie's central financial administration known as Zefi, which handled the industry's financial transactions and controlled its foreign-currency credits.

"As head of Zefi, Ignier procured foreign currency which the Reich required in its dealings throughout the world," said Col. Edwin R. Pillsbury of Berkeley, Cal., who directed the seizure of the 24 Farben plants in the American zone late yesterday.

"We know that Farben was the largest source of foreign currency which the Nazis had," the colonel said.

Col. Pillsbury said that his office had information showing that Farben's agents carried on industrial espionage throughout the world and that Ignier himself was one of the most active agents.

Grains Moving in Volume to Ease Hunger-Ridden Europe

OTTAWA, July 6 (CP)—Canada's main food reserves, recruited from lowly Prairie wheat bins and from towering Lakehead elevators, at last have been called to the front-line battle against hunger and starvation.

In a golden flood to ports both east and west.

Officials said today that the movement of wheat from the West has reached record proportions, surpassing even the shipments of "the year of the big crop," 1928.

With only four weeks of the crop year 1944-45 remaining, Canada has exported some 300,000,000 bushels of wheat and wheat flour, an amount higher than for most of the war years although not spectacular when compared with prewar days when

many nations bid for Canada's No. 1 Northern.

The present record-making movement is expected to extend into the new crop year, beginning August 1. It had its beginning with the libera-

tion of wheat from the West has reached record proportions, surpassing even the shipments of "the year of the big crop," 1928.

With only four weeks of the crop year 1944-45 remaining, Canada has exported some 300,000,000 bushels of wheat and wheat flour, an amount higher than for most of the war years although not spectacular when compared with prewar days when

Officials said that even with the increased movement a substantial carry-over will remain from the wheat hoard established during the war years when crops were good and exports light. In the present crop year, 630,000,000 bushels were available for export and carry-over and at July 31 an estimated 285,000,000 bushels will remain on hand. This would represent a good reduction from the carry-over of 354,000,000 on July 31, 1944, and would be the lowest on record since 1939, when the war started.

The grain is flowing smoothly to seaports with labor difficulties which hampered traffic through the Lakehead last year removed. Improved transportation services speed the movement of the essential food with facility impossible 25 years ago when Canadian wheat—available only in limited quantity—was sought by hungry Europe.

During the first 10 weeks of the Great Lakes navigation season, to June 14, 95,235,338 bushels were moved by water from the Lakehead, against 85,203,000 in the corresponding period of 1944. The movement of grain eastward by rail was reduced due to the diversion of cars to the Prairies to maintain stocks at the Lakehead ready for shipment by water.

The demand for Canadian wheat at prices which range up to \$1.55 a bushel for No. 1 Northern, commercial basis, is easing the pressure on storage facilities in the West. In the early years of the war growers were driven to distraction attempting to find cover for top-grade wheat for which no immediate market existed. Some had to be piled in the fields as country elevators were filled to capacity and farmers could not obtain building materials to erect temporary bins on their farms.

In 1939, wheat in store on Canadian farms was estimated at 4,862,000 bushels; in 1943 this total had risen to 187,207,000. Country elevators in the West in 1939 held 7,811,000 bushels of wheat, but in 1943 this had risen to 217,695,000. More recently, increased demand for Canadian wheat from the United States and fair overseas shipments cut the elevator storage total to 142,465,000 in June, 1944, and 106,015,000 in June, 1945.

The carry-over on July 31, 1946, is likely to show further reduction due to a decrease in wheat planting this year, plus continued heavy exports.

In the United States, a bumper wheat crop is in prospect and Canadian shipments to this market probably will decline. In Europe, however, the wheat shortage is serious, aggravated by crop failures in Spain and Portugal which had escaped the dislocation of war. North Africa, often used as a source of wheat supplies in Europe, has a poor crop.

Pacific Front

Continued from Page 1

It was the second consecutive day that a communique had announced blows against the Japanese homeland by the 5th Air Force, newly moved from the Philippines to bases on Okinawa.

The communique also reported continued heavy bomber blows at Formosa and maintenance of the tight blockade of the Asiatic coast, bombing arsenal facilities in the Canton area.

The Japanese meanwhile reported that the United States already had thrown 11,000 planes into the assault on the home islands.

Rains and landslides of the typhoon season hampered American and Filipino mopping-up operations against Japanese in the Philippines today but some gains of the last few days were reported.

United States troops eliminated a Japanese road block in the Bokod area of Northern Luzon's Mountain Province Tuesday night. Other troops sealed off Japanese positions near Kiangnan, in the same general area.

Last Rites Conducted

Funeral services for the late Mrs. Sydney D. Rose, who died suddenly on Wednesday morning in the King's Daughters' Hospital at Duncan, were held at 2:30 p.m. Friday at the Thomson Funeral Home.

Ven. Archdeacon Dewdney officiated. Hymns sung were "On the Resurrection Morning" and "Abide With Me." Cremation took place at Royal Oak Burial Park.

Palibearers, WALTER H. NORMAN, Major, George CARTER, Raymond W. Jones, Owen W. Smith, Frank Paulding and E. E. Colbeck.

Born in Hungerford, Berkshire, England, the late Mrs. Rose came to Balfour, B.C., in 1908, where she actively participated in church work. Moving to Victoria in 1917, she became one of the most active members of St. Matthew's Mission Women's Auxiliary. She is survived by her widower, at 356 Poul-Boy Road; two sons, Cecil M. and Gerald E. Rose; a daughter, Mrs. R. L. Chabonier, and five grandchildren.

Japan Invasion

Continued from Page 1

male railway workers between 16 and 60 years and women between 17 and 40 were included and that other industries will follow.

Relentless bombing has played havoc with Japan's transportation facilities and Tokyo broadcasts have reflected a crisis in movement of munitions, foodstuffs, coal and other war supplies.

The enemy radio sought some consolation amid bombings by reporting that in "raid-devastated areas" of Tokyo residents are making kitchen knives from the cases of incendiary bombs dropped by American B-29's.

The Japanese Cabinet, meeting to discuss the new slash in food rations, offered a well-publicized example, by eating ersatz food. The Cabinet members munched a combination of rice-cakes and hard tack made from sweet potato refuse, radio Tokyo said.

The Chinese High Command announced recapture of Pingliang, 11 miles from the Indo-China border town of Dong Dang, and said the Japanese "led toward French Indo-China with our troops at their heels."

Loss of Pingliang was announced a week ago by the Chinese.

The army spokesman, Maj.-Gen. Kuo Chi-Chih, said the Japanese retreating up China's east "invasion coast" now were in Chenghsien, 60 miles southeast of Hangchow and 120 south of Shanghai. Chinese forces, he said, are only a few miles from Chenghsien, and all points south of the coastal-highway town have been retaken, including Linhai, Tientai and Singhai.

Chenghsien is 110 airline miles north of Wenchow, abandoned by the enemy June 18, and 260 airline miles north of Foochow, which the Japanese evacuated May 19 in the early stages of their long strategic withdrawal.

Kuo also explained Chinese tactics in the area 140 miles northeast of Canton, where the High Command eight days ago announced recapture of Kiennan, Lungnan and Tingnan, all in Southwestern Kiangsi Province.

Kuo said a Chinese retreat from those centres earlier had frustrated a Japanese plan to establish communications along the Kan River to the Yangtze through Nanchang, which the Japanese had intended as an alternative line of retreat for their forces in the Hongkong and Canton areas in the event the Chinese punctured the enemy-held Canton-Bankow railroad corridor.

The High Command said mopping-up operations continued north of Luichow, recaptured city where the United States Air Force once had a base. Chinese troops moving up the highway toward Kweilin, site of another abandoned United States Air base, reached a point 12-12 miles northeast of Luichow, it added.

PEARL HARBOR, July 6 (AP)—Lt.-Gen. Roy S. Geiger, the United States Marines' new commanding general in Pacific Ocean areas, said confidently today a big invasion against the Japanese can be made any time the United States wants to mass the forces to do it—and "with no trouble at all."

"It's only a question now of wading in and finishing this war," he said at a press conference. "There is nothing very hard against us."

Successor to Lt.-Gen. Holland M. Smith, Gen. Geiger expressed the opinion it would be necessary to invade Japan proper to finish the war.

Demand Lend Lease Arms

WASHINGTON, July 6 (AP)—The United States Senate War Investigating Committee today demanded prompt recovery of lend-lease arms from European Allies for use in the Pacific war.

A report based on an overseas investigation by a subcommittee headed by Senator Harley Kilgore (Dem., W.Va.) said "nothing has been done" about this line nor toward concentrating captured German arms against the Japanese.

"The committee believes that all sources of supply for the Pacific war should be exploited to the maximum," the report stated, "and that existing stocks of armaments and supplies should be drawn upon first; where possible, and certainly they should include captured enemy material."

Noting that legal title to lend-lease materials rests with the United States and that master lend-lease agreements specifically provide for their return, the committee said failure to act constitutes "a lack of vigor and attention to our interests."

They report viewed the situation as one of "extreme urgency."

"So far as the committee was able to learn there is no agreement as between the Allied armies for pooling captured equipment and using it in the Pacific theatre. Each of the Allies seeks to be operating on the theory that it is the sole owner of the supplies it has captured."

The committee sharply criticized "a tendency of many to treat lend-lease accounting as a matter of little consequence on the theory that lend-lease accounts would never be settled."

The report said Britain has refused to itemize supplies it furnishes to American troops except by quarterly lump totals.

Air Veteran Back

P.O. Gordon H. Gray, who recently returned to Canada after two years' service overseas, is spending leave at the home of his uncle and aunt, Mr. and Mrs. Arthur Partidge, 1299 St. Patrick Street.

After completing his "ops," which number 49, P.O. Gray, R.C.A.F., was engaged in transporting prisoners of war from Luebeck to England. He has served with the City of Vancouver Squadron from a British base, and flew across the Atlantic in a Lancaster to Canada.

Educated at Sir James Douglas and Victoria High Schools, he is well known here in sports circles.

With the Fighting Forces

Shown above with trophies of war are Pte. LeRoy Reid, left, and his brother, L.A.C. William Reid, right. R.C.A.F. sons of Mrs. Florence Reid, 1619 Quadra Street. They recently returned from overseas.

Returns to Duty

O.S. NORMAN BAKER, R.C.N. Of H.M.C.S. Prince Robert, has returned to duty after spending 30 days leave with his parents, Mr. and Mrs. Norman Baker, 1210 Monterey Avenue. He is a Pacific volunteer.

A native of this city, the 19-year-old Norman attended Monterey Public School, and was graduated from Victoria High School. O.S. Baker was an active sportsman, participating in Rugby, soccer, hockey and lacrosse. He enlisted in the navy on November 8, 1944, and trained in the East and on Vancouver Island. His brother, Howard, is at present serving with the R.C.A.F. overseas.

Coming Home Soon

L.S. BASIL PRICE, R.C.N.V.R. Who participated in the first invasion activities off the Norfolk coast. He is expected to arrive here on Monday, according to word received by his parents, Mr. and Mrs. A. J. Price, 1539 Richmond Road.

Due Here Tomorrow

"It will sure be nice to have him home," remarked Mrs. R. Eaton, 1216 Rudin Street, after hearing of the expected arrival of her youngest son, Lieut. V. H. Eaton, in Vancouver today. "I will have to let him know I am waiting for him."

Victoria-born, the 25-year-old officer was educated at Central and Victoria High Schools and Victoria College. Prior to his enlistment in April, 1941, he was employed by George Strath, Ltd. Lieut. Eaton left Victoria in May the same year, going overseas four months later. He was on loan to the British Army for six months, attached to an anti-aircraft gun division and later saw action in Holland and Germany. Lieut. Eaton will be attached to the instruction staff of the Pacific force.

His father was a veteran of the Great War, serving four and a half years with the 67th Western Scots in France. Richard S. Eaton, the eldest son, is director of music at Ottawa Technical High School.

Navigating Officer

LT.-CMDR. J. C. LITTLER Of Victoria, who is navigating officer aboard H.M.C.S. Uganda in the Pacific. Lt.-Cmdr. Littler, R.C.N.R., is former captain of the hard-working corvette H.M.C.S. Brandon, and was Mentioned in Despatches for his work as her commanding officer. In sailing against the Japanese he is working in familiar waters, as he was a "China Coaster" in the merchant marine for a number of years before the war.

D.F.C. Winner Here

GROUP CAPT. W. F. NEWSOM, D.F.C. AND BAR Of the permanent R.C.A.F., and a veteran of many raids over enemy territory with the famous Troopie Squadron, which he recently commanded, is spending leave at the home of his parents, Lt.-Col. and Mrs. H. M. Newsom, 1092 Transit Road.

A graduate of Royal Military College, Kingston, he entered the R.C.A.F. in 1939 and as a pilot of heavy bombers, based in Britain was cited for his leadership ability and personal bravery. On completion of his leave he will proceed to Ottawa for retraining.

No True Freedom Without Justice

Senator J. W. deB. Farris praised the judges of the British Columbia courts last night while heavily scoring the administrative tribunals of the day that are presided over by "so called" judges acting on expediency in cases without being governed by the directives of established rules of law. He said justice is the only true freedom.

annual dinner of the Law Society of British Columbia, which met yesterday in the Empress Hotel.

Senator Farris said that Canadians tolerate such tribunals during wartime, but warned that it will be hooves not only the legal profession but the public to see to it that justice of the courts more and more supersedes the tribunals which operate by no standards but the person in charge.

Usually, Senator Farris declared, there is no adequate provision for appeal from such tribunals. He considered opinion, the speaker said, was that no true democracy or freedom can exist without justice and there can be no justice without a free judiciary, strong, independent, and clothed with full authority.

Senator Farris said that he not only paid tribute to the judges for what they are but for what they represent—the administration of British and Canadian justice. It is necessary now for the profession and the public as a whole to appreciate that the essence of justice is justice by the courts, he said. He referred to the judges, classing together Supreme Court, Appeal Court, County Court judges and police magistrates, as "competent, sensible and dependent."

With A. D. Crease, K.C., Senator Farris was proposing a toast to the judges.

PUNISHMENT OF CRIME IMPORTANT QUESTION

It is no exaggeration to say that the punishment of crime and the problem of fitting sentences to be imposed by the courts is one of the important questions of the day which no responsible citizen can ignore, the Hon. Mr. Justice C. H. O'Halloran said in reply.

Mr. Justice O'Halloran said that speaking generally the courts in imposing sentence are concerned with the protection of the public, the reformation of the individual and the punishment of the individual. Courts, unlike psychologists, are concerned with the community at large and not solely with the individual delinquent, he said.

Anarchy might easily result if all delinquents were dealt with only in accord with what is individually best for them," he declared. "It seems to be axiomatic that prevalence of crime among youth betrays a correspondingly low moral consciousness."

Mr. Justice O'Halloran said that it is difficult to escape the conclusion that habitual criminals are a menace to society and ought to be kept in restraint indefinitely, if they cannot be fitted to return safely to society on parole of good behavior. He said that this would involve amendments to the Criminal Code.

Polish Women Visit London

LONDON, July 7 (CP)—Two women who for five years avoided the Gestapo and as a reward for their underground activities were awarded their country's V.C.—the Polish Virtuti Militari—came to London to tell of the special espionage and fifth column work they performed.

Mrs. Janina Karas, formerly chief liaison officer for the Polish Home Army, and Maj. Wanda Lenart, commander of the anti-Nazi sabotage organization in Poland, said that with a specially trained band of 100 girls they not only succeeded in routing thousands of gallons of urgently needed gasoline but also maintained contact between General Bor and the late General Sikorski.

Other activities included the damaging of precision instrument factories, burning of stores and the cutting of railway lines. In fact, so great was the havoc caused by this women's force that the Germans maintained an entire army group in an endeavor to counteract their activities.

The two majors were only captured once, and although the Gestapo had offered large rewards for their arrest, the Germans failed to

May Receive Pension

Louis Thout, of Christie Pass, who last month decided that at the age of 108 it was time to retire, and an 86-year-old wife were a little too much to look after, may shortly receive an old age pension. Friends are making application to the Provincial Government on his behalf.

The aged couple were removed in April from the Columbia Coast Mission launch Columbia, where Mrs. Thout was placed in hospital. Mr. Thout went to Port Hardy to live with a friend, John Milne.

Up to this time the aged couple have maintained themselves on their farm on Hurst Island without receiving social assistance of any kind.

J. B. "Bertie" Williams, Alex. Bay, former Vancouver City solicitor, became interested in the couple and is assisting Mr. Thout in making out the necessary pension papers.

VANCOUVER, July 6 (CP)—Vancouver Summer Assizes heard conclusion today with the conviction of Frank Salino, alias Italiano, 24, laborer, of wounding Matt Jakovich here last June 3. He will be sentenced along with 19 others by Mr. Justice A. D. Macfarlane tomorrow.

Jakovich testified that the accused had attacked him with a knife, slashing him four times during an argument in a downtown rooming house.

If you're feeling out of sorts don't blame the heat for maybe the old system just needs a little "cleaning up inside."

When you are sluggish, irregular or feel distressed after eating, take a dose of Abbey's Effervescent Salt and discover for yourself how pleasantly Abbey's acts to help your system rid itself of clogging, poisonous waste matter.

Popularly priced, good tasting Abbey's is sold at every drug store.

Pleasant and Easy to take!

Gasoline Sales

The proposal to leave any section of the southern end of Vancouver Island without an accessible gasoline supply available to the general public, and more particularly to extend the closures which have already been effected, is one that should receive very careful scrutiny, because it is one which appears to be against the best interests of this community, a fast-growing one. Gasoline is as necessary to modern civilization as electricity is in the homes.

With an acknowledged 89,000 people in Greater Victoria now, this community has long outgrown the small-town category. It is the capital of the Province and one of the best-known cities of Canada. To Victoria in normal times annually come between 350,000 and 450,000 people on vacations, and many of them in their own cars. If Victoria is to declare blank days, days upon which no gasoline can be had anywhere, that will react upon residents and visitors alike.

It seems idle for the community to spend considerable sums upon attracting visitors, and at the same time to embark upon a policy which would leave them stranded while here. Travel gravitates towards public holidays in the first place, and the automobile is the chief means of holidaying on Vancouver Island. If Victoria accedes to this proposal it may find itself in the ridiculous position of encouraging tourists, and at the same time slapping them down.

We trust the City Council will examine carefully any such suggestion, with all its many implications. Service station employees can be given time off without punishing the community, as this result inevitably would do.

Percy B. Fowler

The death in this city on Thursday of Mr. Percy B. Fowler, retired manager of the Government Street Branch of the Canadian Bank of Commerce and a former president of the Victoria Chamber of Commerce, removes from our midst one of the best-known and highly respected members of the business community, and for long one of its most active workers in public affairs. His contributions to Greater Victoria were many, and not readily will they be forgotten. Victoria has lost a good citizen and a sterling friend.

Born in England 71 years ago, Mr. Fowler came to Victoria first in the interests of the former Bank of British Columbia. When that was absorbed by the Canadian Bank of Commerce he entered the new service, and in 1929 became manager of the main Victoria branch, at Government and Fort Streets. His interests were considerably wider than financial and business circles, and he took a keen and active part in the life of the community.

His work on the Chamber of Commerce, the Publicity Bureau and analogous organizations is remembered vividly today. A firm believer in the future of British Columbia and of its capital city, Mr. Fowler became an able pleader in that cause. His position with the Bank of Commerce, fiscal agents for the Provincial Government, brought him into close contact with the Provincial Government, and that was an association which inured to the benefit of the Province and this community alike.

Speeds Move Up

From designing tables in Great Britain have come four new combat planes and a cargo carrier in time for the concluding phase of the war, that against Japan. These new machines were announced by the British Air Ministry recently, although their detailed performance is still on the secret list. They include a jet-propelled fighter with a speed in excess of 500 miles per hour; a twin-engine fighter, faster than 470 miles an hour, with the range of a bombing plane; a single-engine fighter, faster than 460 miles an hour, which outsteps the Spitfire; and a four-engine bomber capable of carrying the largest bomb load in the world. The cargo carrier, of use in war, is also aimed at civilian purposes when peace has been restored.

Details of the jet-propelled fighter, the de Havilland Vampire, are not yet released. It came, however, from outstanding progress made by British research designers with single gas turbine engines and jet-propulsion. Its real speed is not announced, save that it is faster than 500 miles per hour. The Vampire is credited with being the fastest plane on service in the war, and will get her battle practice in the Pacific. Close behind the Vampire is the de Havilland Hornet, with twin Merlin engines, and of exceptional range. The Vickers-Armstrong works have developed the Spitfire, which is the successor to the famous Spitfire.

Of special interest is the fact that the Hor-

net and the Avro Lincoln, a new four-engine bomber with the largest bomb load yet tried, are both long-range machines, designed for the war against Japan. Fighter and bomber will work in conjunction, with the new jet-propelled fighter taking the upper berth in the sky. The Miles Aerovan, a twin-engine cargo plane, may also see service in the Pacific as a freight carrier, although her development had also in mind civilian needs of the future.

These four new combat planes and cargo

Japan will see Royal Air Force squadrons again in action. The war against Germany closed before jet-propelled machines had more than an initial workout on any side. The Luftwaffe used rocket-boosted craft, but found that speed blanketed their accuracy in battle tactics. The jet-propelled machine is wholly controlled, with speed and the ability to manoeuvre, and in this instance the Vampire is the latest and the fastest type to go on service anywhere in the war.

Two of the five machines were specially designed for the Pacific phase of the war, while the remaining two combat craft will be useful additions in that field.

Hamley Building Fire

The City Fire Warden have done the correct thing in investigating the Hamley Building fire, which was attended by loss of life. With the report now presented there can be little objection. It has been established that the fire originated two hours before it was discovered, and that the collapse of a stairway inside, and a netting of overhead street wires outside, impeded rescue and fire-fighting operations. The City Fire Department thus stands cleared in the minds of unprejudiced witnesses.

At the same time, with this sharp lesson in mind, the corporation should review both its standing equipment and the general condition of overhead wires downtown. The same combination of circumstances might not arise again in many years, or it might eventuate tomorrow.

Thermostatic controls are installed in most of the large buildings, but older sections of the city do not always have that safeguard. The community as a whole is interested in fire prevention. What can be done by the city, by owners, or by all combined, to improve existing conditions and to prevent a recurrence of such a tragedy must be attempted.

The record of the Victoria Fire Department through many years has been a singularly fine one. If luck was against it in this instance, that will be taken into account by fair-minded and reasonable individuals. The official inquiry has laid rumors at rest. The thing to do now is to have a good look at the whole of the downtown area, to see what added safeguards can be recommended and installed. Fire concerns everyone.

Seen in Passing

Beauty would still exist if there were no man to see it, and how very few individuals do see it? Suns would roll through the heavens. Tides would lap on the shore. Clouds would pyramid, white against the blue dome. Birds would flit in their silvery piping. Spring would reclothe the world in all its splendor. Natural harvests would ripen under the warm summer sun. And it would all be beautiful. Yet, there would be a lack, too. No children's laughter, no starling eyes, no handclasp in another's grief, no eternal hoping for sunshine on the end of the trail—these lacks would make a queer world, and a sad one.

An acclamation for Mr. Mackenzie King in Glenagair would speed up the business of the country, and this is now suggested by both Progressive Conservative and C.C.F. groups in that riding of Ontario. It could also give due recognition to the fact that Mr. King personally was handicapped in the general election by virtue of the need of his presence at San Francisco, where non-politically he did a good job for Canada. The election, however, was Mr. King's own idea, and the embarrassment today is of his own making.

After a long period of drought, the water table sinks to such a level that no artificial means will restore it. Only the advent of rain over a fairly wide area will make any appreciable difference, and only a rainy season will bring the water back to where it should be, that is close below the sub-soil. Farmers, knowing that, eke out by cultivation what they cannot obtain by means of rainfall, although there is also a limit to that. British Columbia has known some droughts, but nothing to compare with the experience of some interior portions of the continent which turned into dust bowls in successive rainless years.

From "Rugby Chapel"

Then, in such hour of need
Of your fainting, dispirited race,
Ye, like angels, appear,
Radiant with ardour divine,
Beacons of hope, ye appear
Langour is not in your heart,
Weakness is not in your word,
Weariness not on your brow,
Ye elight in our van, at our voice
Panic, despair, flee away,
Ye move through the ranks, recall
The stragglers, refresh the outworn,
Praise, re-inspire the brave,
Order, courage, return,
Fires rekindling, and prayers,
Follow your steps as ye go,
Ye fill up the gaps in our files,
Strengthen the wavering line,
Stablish, continue our march,
On, to the bound of the waste,
On, to the City of God.

—MATTHEW ARNOLD.

No man's a faithful judge in his own cause.—MASSINGER.

Charter of the United Nations

Official Text

Chapter XIV
THE INTERNATIONAL COURT OF JUSTICE

Article 92
The International Court of Justice shall be the principal judicial organ of the United Nations. It shall function in accordance with the annexed Statute, which is based upon the Statute of the Permanent Court of International Justice and forms an integral part of the present Charter.

Article 93
1. All Members of the United Nations are ipso facto parties to the Statute of the International Court of Justice.

2. A state which is not a Member of the United Nations may become a party to the Statute of the International Court of Justice on conditions to be determined in each case by the General Assembly upon the recommendation of the Security Council.

Article 94
1. Each Member of the United Nations undertakes to comply with the decision of the International Court of Justice in any case to which it is a party.

2. If any party to a case fails to perform the obligations incumbent upon it under a judgment rendered by the Court, the other party may have recourse to the Security Council, which may, if it deems necessary, make recommendations or decide upon measures to be taken to give effect to the judgment.

Article 95
Nothing in the present Charter shall prevent Members of the United Nations from entrusting the solution of their differences to other tribunals by virtue of agreements already in existence or which may be concluded in the future.

Article 96
1. The General Assembly or the Security Council may request the International Court of Justice to give an advisory opinion on any legal question.

2. Other organs of the United Nations and specialized agencies, which may at any time be so authorized by the General Assembly, may also request advisory opinions of the Court on legal questions arising within the scope of their activities.

Chapter XV
THE SECRETARIAT

Article 97
The Secretariat shall comprise a Secretary-General and such staff as the Organization may require.

The Secretary-General shall be appointed by the General Assembly upon the recommendation of the Security Council. He shall be the chief administrative officer of the Organization.

Article 98
The Secretary-General shall act in that capacity in all meetings of the General Assembly, of the Security Council, of the Economic and Social Council, and of the Trusteeship Council, and shall perform such other functions as are entrusted to him by these organs.

The Secretary-General shall make an annual report to the General Assembly on the work of the Organization.

Article 99
The Secretary-General may bring to the attention of the Security Council any matter which in his opinion may threaten the maintenance of international peace and security.

Article 100
1. In the performance of their duties the Secretary-General and the staff shall not seek or receive instructions from any government or from any other authority external to the Organization. They shall refrain from any action which might reflect on their position as international officials responsible only to the Organization.

2. Each Member of the United Nations undertakes to respect the exclusively international character of the responsibilities of the Secretary-General and the staff and not to seek to influence them in the discharge of their responsibilities.

Article 101
1. The staff shall be appointed by the Secretary-General under regulations established by the General Assembly.

2. Appropriate staff shall be permanently assigned to the Economic and Social Council, the Trusteeship Council, and, as required, to other organs of the United Nations. These staffs shall form a part of the Secretariat.

The paramount consideration in the employment of the staff and in the determination of the conditions of service shall be the necessity of securing the highest standards of efficiency, competence and integrity. Due regard shall be paid to the importance of recruiting the staff on as wide a geographical basis as possible.

Chapter XVI
MISCELLANEOUS PROVISIONS

Article 102
Every treaty and every international agreement entered into by any Member of the United Nations for the present Charter comes into force only as soon as it is registered with the Secretary-General and published by him.

2. No party to any such treaty or international agreement which has not been registered in accordance with the provisions of paragraph 1 of this Article may invoke that treaty or agreement before any organ of the United Nations.

Article 103
In the event of a conflict between the obligations of the Members of

the United Nations under the present Charter and their obligations under any other international agreement, their obligations under the present Charter shall prevail.

Article 104
The Organization shall enjoy in the territory of each of its Members such legal capacity as may be necessary for the exercise of its functions and the fulfilment of its purposes.

Article 105
1. The Organization shall enjoy in the territory of each of its Members such privileges and immunities as are necessary for the fulfilment of its purposes.

2. Representatives of the Members of the United Nations and officials of the Organization shall similarly enjoy such privileges and immunities as are necessary for the independent exercise of their functions in connection with the Organization.

3. The General Assembly may make recommendations with a view to determining the details of the application of paragraphs 1 and 2 of this Article or may propose conventions to the Members of the United Nations for this purpose.

Chapter XVII
TRANSITIONAL SECURITY ARRANGEMENTS

Article 106

Pending the coming into force of such special arrangements referred to in Article 43 as, in the opinion of the Security Council, enable it to begin the exercise of its responsibilities under Article 42, the parties to the Four-Nation Declaration, signed at Moscow, October 30, 1943, and France, shall, in accordance with the provisions of paragraph 5 of that Declaration, consult with one another and as occasion requires with other Members of the United Nations with a view to such joint action on behalf of the Organization as may be necessary for the purpose of maintaining international peace and security.

Article 107
Nothing in the present Charter shall invalidate or preclude action, in relation to any state which during the Second World War has been an enemy of any signatory to the present Charter, taken or authorized as a result of that war by the Governments having responsibility for such action.

Article 108
Amendments to the present Charter shall come into force for all Members of the United Nations when they have been adopted by a vote of two-thirds of the members of the General Assembly and ratified in accordance with their respective constitutional processes by two-thirds of the Members of the United Nations, including all the permanent members of the Security Council.

Article 109
1. A General Conference of the Members of the United Nations for the purpose of reviewing the present Charter may be held at a date and place to be fixed by a two-thirds vote of the members of the General Assembly and by a vote of any seven members of the Security Council. Each Member of the United Nations shall have one vote in the conference.

2. Any alteration of the present Charter recommended by a two-thirds vote of the conference shall, like effect when ratified in accordance with their respective constitutional processes by two-thirds of the Members of the United Nations including all the permanent members of the Security Council.

3. If such a conference has not been held before the tenth annual session of the General Assembly following the coming into force of the present Charter, the proposal to call such a conference shall be placed on the agenda of that session of the General Assembly, and the conference shall be held if so decided by a majority vote of the members of the General Assembly and by a vote of any seven members of the Security Council.

Article 110
The present Charter shall be ratified by the signatory states in accordance with their respective constitutional processes.

2. The ratifications shall be deposited with the Government of the United States of America, which shall notify all the signatory states of each deposit as well as the Secretary-General of the Organization when he has been appointed.

3. The present Charter shall come into force upon the deposit of ratifications by the Republic of China, France, the Union of Soviet Socialist Republics, the United Kingdom of Great Britain and Northern Ireland, and the United States of America, and by a majority of the other signatory states.

4. A protocol of the ratifications deposited shall thereupon be drawn up by the Government of the United States of America which shall communicate copies thereof to all the signatory states.

5. The states signatory to the present Charter which ratify it after it has come into force will become original Members of the United Nations on the date of the deposit of their respective ratifications.

Article 111
The present Charter, of which the Chinese, French, Russian, English and Spanish texts are equally authentic, shall remain deposited in the archives of the Government of the United States of America, duly certified copies thereof shall be transmitted by that Government to the Governments of the other signatory states.

Article 112
In faith whereof the representatives of the Governments of the United Nations have signed the present Charter.

Done at the city of San Francisco, the twenty-sixth day of June, one thousand nine hundred and forty-five.

(To Be Continued)

the archives of the Government of the United States of America. Duly certified copies thereof shall be transmitted by that Government to the Governments of the other signatory states.

In faith whereof the representatives of the Governments of the United Nations have signed the present Charter.

Done at the city of San Francisco, the twenty-sixth day of June, one thousand nine hundred and forty-five.

Letters to Editor

No letter to the editor will be inserted except on the writer's signature and address of no exception. No letter shall exceed 200 words in length. Unpublished correspondence cannot be returned.

FIVE-CENT COFFEE

—Sir—May I voice a protest at the 10-cent cup of coffee which the Wartime Prices Board sustains? Some restaurants in Victoria have cups of half-price which permits an inordinate profit and victimize the public. It is about time something was done about our cups of coffee. The returned soldiers won't be pleased at this charge, after the two-penny price of a cup of tea or coffee overseas. There are many pensioners and others to whom the price of 10 cents for coffee seems all unnecessary hardship. At least full-size cups should be used. The power that he should investigate. What this country needs is a five-cent cup of coffee right now.

ARTHUR BOLINGBROKE,
Gordon Head Road, Victoria, B.C.,
July 6, 1945.

Observation
Car

Percy, of West Saanich Road, managed to solve the labor shortage last Autumn when it came time to pick hazel nuts from a large tree on his estate, and he is hoping that Nature will again come to his aid. Last year Percy gazed at his heavily-laden tree with misgivings at the thought of picking so many nuts. He also knew that help would be hard to obtain. When the hazel nuts commenced to ripen, a large squirrel ran up the trunk like a brown streak and sat chirping in the tree top at the sight of so much food. Percy picked up a lump of clay to frighten away the intruder, but thought better of it. "Help yourself, I say, but leave me a few," he remarked. The squirrel chirped a reply which probably was, "O.K., mister man." Next day Percy noticed a neat pile of nuts stored in a corner of his garage. Two days later the squirrel had filled a rubber boot with nuts. Within a week every ripe nut had been picked and transported to the garage. Percy gathered them in a large basket and moved them to his house. "What did you do for the squirrel?" a neighbor asked. "Why, I gave him free accommodation in the garage. Houses are hard to find these days," Percy replied. Later he thought of the trouble and expense he had been saved by the busy little animal, and transferred several pounds of nuts back to the garage.

According to Culbertson

Possessors of a suit higher ranking than that "agreed on" by the opponents opens the way to high strategy in bidding. Consider this typical case:

North, dealer.

East-West vulnerable.

Social and Personal

Mrs. Freddie Beckett, Vancouver, is visiting her parents, Mr. and Mrs. Roger Monteth, Oak Bay Avenue, for a few weeks.

Mrs. Dolia Cavendish will return to her home on Belmont Avenue next Sunday after an extended visit to the United States.

Mrs. W. Goulay Colquhoun, Victoria, is the guest in Winnipeg of Mrs. William C. Russell, Kingway. Mrs. Colquhoun will continue to Eastern Canada.

Mrs. J. L. Dunn, of Vancouver, has arrived to spend a month in the city and will be a guest of Mr. and Mrs. Ralph Evans, 2360 Shakespeare Street.

Mrs. A. V. Pollard, Lansdowne Avenue, and her two children, Nancy and Stanley, left Wednesday for Toronto to visit Mrs. Pollard's mother. They expect to be away two months.

Relatives who came to be present at the Clark-Holt wedding recently included Mr. Harry Clark, Mr. and Mrs. Horace Clark and their daughter, Diana, all of Seattle; Mr. and Mrs. William Watta, Port Angeles.

A farewell tea was held recently at Cedar Hill School in honor of Mrs. McCubbin, district public health nurse Principal A. Cullen, on behalf of the staff, presented the guest of honor with a silver bouillon dish.

Mrs. Victor L. Dryer, Mrs. Thomas Ellis and Mrs. Douglas Brown, of Vancouver, are visiting in Victoria, guests at the Empress Hotel, having accompanied their husbands, who are attending the B.C. Law Association meeting.

Out of town guests attending the Howsam-Ford wedding included the groom's brother, Mr. R. L. Howsam and Mrs. Howsam and daughter Dorothy, of Port Alberni, and S.L. and Mrs. R. Langhorne, of Vancouver.

Mrs. Robert Hallett, the former Marjorie Lindgren, returned Friday from a honeymoon spent at Carmel by the Sea and at San Francisco. Mrs. Hallett will spend about a month with her mother, Mrs. R. Lindgren, 1037 Craigdarroch, P.P.C. Hallett has returned to duty at Port Lewis.

Friends from out of town attending the Ruffe-Anderson nuptials last evening were Mr. and Mrs. George Burt, Mrs. R. S. Nicholson and sons, Mickey and Vince; Mrs. William Duncan, all of Vancouver; Mr. and Mrs. Leo Anderson, Courtenay; Mrs. Gordon McIntyre and daughter, Miss Laverne McIntyre; Courtenay; Mr. Richard Downey, Lumby, B.C.

Gloria Haines, seventeen-year-old daughter of Mr. and Mrs. Harold Haines, of Port Alberni, B.C., after passing with honors the required examinations conducted recently in Victoria now merits the Diploma of Solo Performer Association of the Toronto Conservatory of Music. Gloria Haines is a pupil of St. Ann's Academy where she has been studying music for five years.

Honoring Valere Gagnon, R.C.O.C., Mrs. Lea Hudson entertained recently at a birthday surprise party. A gift was presented by the assembled guests including Mrs. K. Fox, Mrs. R. Sampson, of Roseville, Saskatchewan; Mrs. Charles Mourre, Sovereign, Saskatchewan; Therese and Rita Hudson, Pte. Ger-

Top-Ranking Cadets Enjoy Closing Day Festivities

Victoria's younger set keenly enjoyed Royal Roads "passing out" exercises, lawn etc. and dance this week. Here are two of the top-ranking graduates, Midshipman W. A. Tetley, R.C.N.V.R., chief cadet captain during the past term, with Miss Hazel Major, Victoria, seen on the terrace where tea was served. In the second picture, Midshipman William Melville Ogle, who topped all students at the college, is seen with Miss Pat Schofield, at the formal dance. Both are of Victoria. While Midshipman Tetley plans a career at the bar, Midshipman Ogle hopes to remain "Navy."

and Morin, Mr. Fred Hudson, Mr. J. Hudson, Mr. H. Watkins, Mr. F. Waters, Mr. Allan Peterson, Mr. Sam Snowblom, and Mr. Kenneth Crockett.

Realize \$250 at Garden Party

Rev. Father Thomas J. Mangan opened the successful garden party held recently at the home of Mr. and Mrs. Joseph Dobbie and sponsored by the Lake Hill C.W.I. and C.Y.O. The sum of \$250 was realized. Mrs. Dobbie welcomed the guests, among whom were the Most Rev. John C. Cody, D.D., Bishop of Victoria, Rev. Father L. MacLellan, Rev. Father A. MacLellan and Rev. Father A. E. Leonard.

I.O.D.E. Chapters

Navy League Chapter will meet at the home of Mrs. R. Shanks, 1041 Holmes Street, Monday, at 2 p.m. for a knitting and business meeting.

Mary Croft (Equimulti) Chapter will meet at headquarters, Monday, at 2 p.m.

In the earliest days of the church it was considered irrelevant to appear gloved before a member of the clergy.

Popular Garden Party Held

More than two hundred attended the garden party held by the Women's Guild to St. Andrew's Presbyterian Church Friday afternoon, on the lovely grounds at the home of Mrs. F. A. Lindsay, 3000 Rutland Road. The sum of \$208 was realized.

Mrs. F. A. Lindsay, Mrs. T. Cree and Mrs. J. L. W. McLean received the guests. A popular feature was the playing of the bagpipes in the garden, where Queen Elizabeth's favorite, "The Road to the Isles," was included. Children selling attractive corsages were Vickie and Alice Husband, Ada Layne and Joan Mount. The flowers were conveyed by Mrs. T. Taylor and Mrs. D. Scott.

Presiding at the tea table were Mrs. H. Warren, Mrs. A. Auchinbold, Mrs. A. Hood, Mrs. C. W. Hawkins, Mrs. D. E. Campbell and Mrs. A. McKinnon. Superlatives were conveyed by Mrs. A. Alexander and Miss Gernell, home cooking; Mrs. J. W. Cameron and Mrs. Madeley, and helpings; Mrs. J. Reid, assisting in the dining-room were Mrs. Robert Green, Mrs. R. Morrison, Mrs. H. Warren, Mrs. T. Veach, Mrs. C. W. Paulin and Mrs. J. P. Dempsey.

Red Cross Notes

A special meeting of the Equimulti Red Cross will be held, Monday, July 9 at 2:45 p.m. in the United Church Hall to make final arrangements for the garden party.

For Brides-Elect

Miss Irene Jordan, a bride-elect of this week was presented with a lovely silver tea service from the associates of the Ordnance Depot of H.M.C. Dockyard, Mr. C. P. Comford, small arms foreman, conveyed the good wishes of her co-workers to the honoree, in making the presentation.

Mrs. E. Holt was presented with a gift of lovely linen by Mr. and Mrs. P. E. George, on behalf of George's Music Store, with best wishes for her happiness. Her dance, Mr. G. Clark received a trill lamp from Mr. J. M. Scouler, manager of the Island Freight Service, and a table lamp from his fellow employees.

Honoring Miss Kathleen Greenwood, a bride-elect of this month, Mrs. R. A. Heister, 1514 Prior Street, and Mrs. Alan R. Heister, sister of the groom-elect, were hostesses at an enjoyable party on Tuesday evening. Corsages of rosebuds, carnations and white jasmine were presented to the honoree, her mother, Mrs. D. Greenwood, and Mrs. H. P. Collins, mother of the groom-elect. On behalf of the friends present an attractive English china dinner set was presented to Miss Greenwood.

Mrs. Greenwood and Mrs. E. R. Cairns presided at the refreshment table. The guests were Mrs. D. Greenwood, Mrs. H. P. Collins, Mrs. F. W. Crouch, Mrs. J. Mullard, Mrs. J. Buckler, Mrs. E. R. Cairns, Mrs. L. Mulart, Mrs. K. C. Pollock, Mrs. L. H. Specht, Mrs. B. Abbott, Mrs. E. R. Cairns, Mrs. G. W. Heister, and Misses Virginia Sanderson, Joan Johnson, Trudy Polyblank, Pat and Anne Greenwood.

Fellow members of the staff of the High School Correspondence Branch of the Department of Education, Parliament Buildings, gathered at the home of Miss Phyllis Greasy, St. Patrick Street, Wednesday evening, to honor Miss K. Greenwood, a bride-elect of this month. On arrival Miss Greenwood and her mother were presented with Colonial bouquets. The many lovely gifts were concealed in a rose-petaled treasure chest carrying out the color scheme of pink and white as used in the artistically decorated rooms. Games and music were enjoyed after which refreshments were served from a prettily appointed table centred with a bowl of pink and white roses. Miniature Colonial bouquets, to which hand-painted place cards were attached, were presented to each guest as a souvenir of the happy occasion. Invited guests included: Dr. E. E. Lucas, Mesdames D. Greenwood, E. Greasy, M. Renaud, J. Specht, N. Gleave, Y. Billing, L. Lewis, M. McMin, M. Rankin, and the Misses C. Aiken, D. Bagshaw, K. Brann, D. Drummond-Hay, A. Eldridge, M. Enoch, M. Gibbs, K. Greenwood, A. Greenwood, C. Hill, J. Kilner, N. Kyle, G. Ladwig, J. Lambie, H. Marshall, N. New, B. Patterson, M. Speed and E. White.

Weddings

HOWSAM-FORD

St. Paul's United Church, Sidney, was the scene of a pretty wedding on June 22 when Muriel May, only daughter of Mrs. R. C. Ford, East Saanich Road, became the bride of Flight Sgt. Robert Basil Howsam, third son of Mrs. R. M. Howsam, 216 Ninth Street, Saskatoon, Sask. Rev. F. Hardy officiated at the ceremony. Given in marriage by Mr. E. R. Hain, the bride looked lovely in a floor-length white sheer gown with embroidered veil and bridal bouquet of American Beauty roses, white sweet peas and carnations. Mrs. J. Britton, matron of honor, wore a long pale blue sheer with pink accessories and carried pink carnations and sweet peas. Sgt. B. Stanwood was best man and Scoutmaster McKenzie and Bill Serman ushered. Miss Dorothy Hall played the wedding music and during the signing of the register W.O.I. Stanley Pirth sang "Because." As the couple left the church a guard of honor was formed by Rover and Boy Scouts of Sidney, Brentwood and Victoria. Following the ceremony a garden reception was held at the home of the bride's mother, who was assisted in receiving the guests by Mrs. Freeman, King, of Victoria. S.L. R. Langhorne, of Vancouver, proposed the toast to the bride. The couple left by car for a honeymoon up-Island.

RUFFLE-ANDERTON

Last evening at Emmanuel Baptist Church, with Rev. W. McKay officiating, Eleanor Margaret, eldest daughter of Mrs. M. Anderson, 2314 Shelbourne Street, and the late Mr. Anderson, exchanged marriage vows with Shipwright Alf Ruffe, R.C.N.V.R., youngest son of Mr. and Mrs. A. Ruffe, Sooke, B.C. During the signing of the register Mrs. J. Oakman sang "O Day of Golden Promise" to organ accompaniment played by Mr. D. W. Phillips.

The bride, in a beautiful gown of white slipper satin fashioned with floor-length skirt, sweetheart neckline and lily-point sleeves, was given in marriage by her uncle, Mr. Leo Anderson, Courtenay. A coronet of orange blossoms held her embroidered veil of illusion net. Her only adornment was a cameo pendant, the groom's gift, and she carried a bouquet of pink rosebuds and white sweet peas.

The bridemaids were the bride's sisters, Miss Rose and Miss Patricia Anderson, the former wearing mauve sheer over peach, while the latter was attired in lime green sheer over white. Both carried gladioli and sweet peas. Little Joy Anderson, niece of the bride, was the flower girl in a mauve Kate Greenway frock and a Colonial bonnet.

Best man was C.P.O. William Lindley, R.C.N.V.R., and ushering were Mr. Gordon Kenney and Mr. Clifford Thomas. At a reception held at Terry's rooming house, Mrs. Anderson and Mrs. A. Wilson, Sooke, sister of the groom, received the guests. The toast to the bride was given by Mr. Leo Anderson. For a honeymoon trip to Orcas Island, the bride wore an aquamarine wool coat over a cinnamon brown crepe dress, with brown hat and accessories. The couple will reside on Harriet Road.

CLARK-HOLT

A pretty wedding was solemnized at the home of the bride's sister, Mrs. C. Hutchinson, Health Drive, when Evelyn Holt, elder daughter of the late Mr. and Mrs. J. Barf, well-known Victorians, and George Clark, eldest son of Mr. and Mrs. T. A. Clarke, Midway, B.C., were united in marriage on Saturday evening June 30, with Rev. J. L. W. McLean officiating.

The bride was given away by her brother-in-law, Mr. William Watta, Port Angeles, Wash., and wore a navy blue tailored suit with blue picture hat, navy accessories and corsage bouquet of Ophelia rosebuds. Mrs. M. Lane was the matron of honor, wearing a moss green dressmaker suit with black accessories and corsage bouquet of pink roses and white freesias.

The groom was attended by his brother, Mr. Harry Clark, Seattle. "I Love You Truly" was sung by Miss Sylvia Hutchinson, accompanied by Mrs. W. A. McKibben, during the signing of the register.

At the reception which followed the ceremony, Mayor P. E. George proposed the toast to the bride, Mr. and Mrs. Clark left for Vancouver for a honeymoon, the bride donning

Time Out for a Chat Between Dances

Miss Shirley Olson (left), and Miss Katherine Anderson, both of Victoria, enjoy a chat with their escorts between dances. Seated on the back of the chesterfield are Cader Michael Fitzgerald, Washington, D.C. (left), and Midshipman Peter Mackell, of Ottawa.

a navy blue topcoat over her wedding outfit, with navy Milan straw hat and veil.

STANCLIL-ROSS

Merna Elizabeth Kathleen, daughter of Mr. and Mrs. Norman Ross, Lethbridge, Alta., and Donald Raymond Stanclil, son of Mr. and Mrs. Fred Swain, 445 Arden Road, were united in marriage last evening at a quiet ceremony which was solemnized at the home of the officiating minister, Rev. T. H. McAllister, Qu'Appelle Street.

The bride, attended by her sister, Miss Beverly Ross, wore a lovely gown of white spider-lace made with floor-length skirt and short sleeves. Her chapel veil of illusion net was fastened with satin gardenias. She wore her grandmother's three-strand pearl necklace and carried pink carnations and maidenhair fern.

The bridemaid wore a white floor-length gown fashioned with silk jersey form-fitting bodice and lace skirt. Her hat was of white flowers and veiling, and she carried a bouquet of deep pink rosebuds, pink carnations and fern.

The bridegroom was attended by Leading Stoker Larry Benjamin, R.C.N.V.R.

A reception was held at the home of the groom's parents, where Mr. F. Swain proposed the toast to the bride's health. After their honeymoon, Mr. and Mrs. Stanclil will live at 1621 Quadra Street.

Plan Activities At Stadacona

Supervised activities at Stadacona Park, under the auspices of the Victoria and District Parent-Teacher Council will commence on July 18. Registration will be taken at the park July 18 at 10 a.m. by Mrs. Stanley Anfield, supervisor. Official opening is at 2 p.m. by Mrs. Ernest Evans, president. Classes planned include: Sewing on Wednesdays from 2 p.m. to 3 p.m. under the direction of Mrs. J. J. Tanner; games and sewing, on Fridays from 2 p.m. to 4 p.m. by Mrs. L. A. Gordon; and on Mondays from 10:30 a.m. to 11:30 a.m. Mrs. Lewis will instruct in clay modeling. Discussion groups for mothers will be held on Wednesdays from 2:30 to 3:30 p.m. Next week Mrs. C. Frankham will speak on "Your Child as an Individual."

Arrangements are being made for lessons in swimming and possibly tap dancing. Volunteers for an hour or two a week are needed for classes in junior carpentry, paper crafts, clay modeling. A sand-box and tables have been installed by the park board. Anyone wishing to help may phone Mrs. A. J. Bewley, E2198.

Picture Auction At Party Today

A fine collection of pictures has been contributed by leading Victoria artists, to be auctioned at the garden party arranged by the local branch of the Federation of Canadian Artists for Saturday at 3 p.m. at the home of Miss Kathleen

Among artists giving canvases are Miss Stella Langdale, Mr. E. F. Gye, M.B.E., Mrs. W. B. Young, Miss Gertrude Sluder, Mrs. Unity Blair, Miss Margaret Manuel, Mr. Stewart Clarke, Mr. C. W. Holliday, Mrs. Ina D. D. Uthoff, Mrs. S. M. Hobbs, Hon. Mark Keady, Mrs. E. W. Izard, Mr. Edward Goodall, Mr. John Kyle, Miss Sally Hart, Mr. B. R. Berlick, Mr. C. J. Turpin, Miss Elizabeth Duer, Mr. J. Eldridge, Mrs. E. C. Barnes, Major Tasker-Taylor, Mrs. Hester Wilkinson, Mr. R. N. Savory and Mr. W. F. U. Copeman.

Mrs. T. M. Knox is in charge of the arrangements for tea, which will be served by a group of Girl Guides under the direction of Mrs. L. A. Genge.

Nursing and National Health

XI.—BETTER NURSING SERVICE FOR CANADA

Have you ever stopped to consider what life in an average Canadian community, your community, would be like if there were no nurses at work? There would be no skillful, soothing hands to care for your family, whether ill in hospital or at home; no competent head to carry out the doctor's orders for your care. There would be no nursing service to aid in the recovery of the patients in your hospital. There would be no one in your school, in your clinic, in your industrial plant, in your community, to give the kind of attention, care and comfort which the registered nurse is specially prepared to give. In short, all health services as we know them, curative as well as preventive, would cease to exist.

The acute shortage of graduate nurses which Canada has experienced during the past four years has given us all cause to stop and ponder our nursing situation. Who is the Canadian nurse? She is your daughter, sister or niece. When she entered the school of nursing, were you interested in knowing whether she would receive a good education in nursing—her chosen career? What do you know of the nursing standards of your local hospital? You, naturally, want the best nursing care you can have when you or any of your family are ill. As a healthy citizen have you shown any interest or concern in your local hospital or public health nursing services, to ensure for yourself the best nursing care should you become an ill citizen? The quality of service which you as a citizen can expect from any public service—be it nursing, or teaching, or whatever—is in direct ratio to the support which you as a citizen give to the preparation and development of such service. In the previous articles of this series, NURSING AND NATIONAL HEALTH, an attempt has been made to present a silhouette of the professional nurse; her early simple duties in the home, her present complex, multiple duties in every sphere of modern living; her need for expert knowledge and skill; the assumption of national and international responsibility for achieving better nursing standards of the care of the sick.

You, the public, are demanding more and better nursing services. The nursing profession is anxious to provide these services. You can hasten this day of achievement by giving your support to endeavours in making Schools of Nursing financially independent of the hospital to which they may be attached, thus providing them with a truly educational freedom and release from exploitation and apprenticeship, and by legislation to protect the public which will ensure your protection against fraudulent and untrained persons.

Graduating Cadets Enjoy Summer Formal

Forty-five graduating cadets, the junior cadets who will be seniors next year, and members of the staff of R.C.N. College, Royal Roads, at the graduating formal held at the College this week. Looking ahead to their new duties as midshipmen, the graduating cadets enjoyed a happy evening of dancing. The junior cadets enjoyed the feeling that they will be next year's graduates.

Societies

The W.A. to the R.C.A.S. will meet at the home of Mrs. Thorburn, 1354 Harrison Street, July 11, at 2:30 p.m.

Rockland Park Women's Christian Temperance Union will hold a luncheon picnic in Beacon Hill Park, Monday.

St. Martin's Ladies' Guild will hold a silver tea at the home of Mrs. J. F. Phipps, 520 Walter Avenue, on Wednesday, from 3 to 5 p.m., in aid of the vicarage fund.

The W.A. to the Britannia Branch will meet Tuesday, at 2 p.m. Brigadier J. M. Rockingham, D.S.O. and Bar, will address the meeting, which is open to the public.

St. Mark's Women's Auxiliary will hold a garden party and sale of work on the grounds of the vicarage, 3428 Davidson Street, next Wednesday, starting at 2:30.

Ex-B.C. Telephone operators will hold a picnic tea, Wednesday, July 11, in Beacon Hill Park. For further information, phone Mrs. Wood, E 4922.

Colfax Rebekah Lodge, No. 1, I.O.O.F., will hold a basket picnic at Thetis Lake next Wednesday. Members of Carle No. 45 and visiting sisters have been invited and may reach Thetis by bus.

Women of the Moose, Victoria Chapter No. 23, will hold a business meeting, Monday, at 7:30 p.m. Written reports are requested from the membership, Mooseheart, war relief and hospital guild committee chairmen.

A silver tea will be held in the Sons of England Hall, Broad Street, Thursday, July 12, from 2:30 to 4:30 p.m., under the auspices of the Nazareth Shrine, Order of the White Shrine of Jerusalem. There will be home-cooking and fancywork stalls and Mrs. Ethel Webb is general convener.

At the recent meeting of the Aged and Infirm Women's Home silent rubric was paid to the late Mrs. W. L. Clay, president of the home for many years. Mrs. D. O. Heddle, acting president, read a short tribute in her honor. A vote of sympathy was also extended to Mrs. A. D. Whittier, a member of long standing in the loss of her sister, Mrs. E. Crump. Committee for the month, Mrs. F. Ellis (convener), Mrs. D. Heddle and Mrs. F. Jameson.

My Neighbor Says:

When making cream sauce to serve with vegetables, macaroni, etc., it is well to remember that one-third of a cup of cream sauce is plenty for each person. A recipe calling for a cup of milk makes about 1 1/2 cups of sauce.

Released by The Associated Newspapers, Inc.

WHEN YOU CAN

Use the **Bing** Test!

THE LID, Sealed on jar, the white enamel triple coated lid, with built-in rubber ring.

THE BAND, Screw band over lid for tight seal, and can be approved in manner. Leave jar upright, over night.

Next day remove bands. They have now served their purpose. Save them for use again. You will need as many lids as you have jars. But you will need only as many bands as you use in a day's canning.

And test for B-I-N-G! Tap each lid. If it sounds B-I-N-G, jar is OK. A dull P-U-C-K sound means... better re-can in a fresh, unblemished jar.

Send 10c for 64 Page Home Canning Guide

Complete information, easy to follow, compiled by noted authority. Address: **Bernardin Bottle Cap Co.**, Sales office, 1125 Hamilton Street, Vancouver, B.C.

She Married a King

Status of this beautiful woman, the commoner wife of King Leopold III of the Belgians, in the current Belgian political crisis, is a much-discussed affair in Brussels. Leopold, it is said, asserts his wife signed away all rights as queen before their marriage and agreed that any children would not be in line of succession to the throne. But opponents declare that should Leopold succeed in regaining power in the present emergency, his commoner consort would rule as queen of all the Belgians whether he wills it or not. The 29-year-old beauty, the former Lillian Baels, was the governess of Leopold's three children by his marriage to the late Queen Astrid.

Beatrice Fairfax

(Copyright, 1944, King Features Syndicate, Inc.)

HOME LIFE BROKEN WHEN WIFE WORKS

Dear Miss Fairfax:

You might, I suppose, call me a war casualty, not that I have any wounds, except in my heart.

Our home was average-happy, my wife and daughter living on my salary. Then my daughter joined one of the women's reserves in the armed forces and is now in Europe, where she proposes to stay and avail herself of the educational advantages the army is offering both servicemen and women when off duty.

I don't blame her in the least. She's young. We couldn't afford to send her to college and she is now getting advantages she always craved.

The case of my wife is rather different. She is 46 years of age and has been foreman in a privately-owned plant connected with war work. I've stuck by the firm which has employed me for 25 years, but my wife gets a larger salary. This has changed our relationship somewhat. When she loses her job, which is bound to happen after the war is over, she does not want to come back to our former way of living. She says when her present job runs out she'll get another, that she has never been as happy in her life as she has been since she earned her own money.

Our case may not be typical, as we're no longer in our first youth, and our child is on her own. But what of the hundreds and thousands of women, not only in Canada but in other parts of the world as well, who prefer having their own money to their husbands' love? What's going to happen to the little children? Are we to become a nation of day nurseries? Or is the ghastly alternative to be no more babies to provide with nurseries? And has the hand that formerly rocked the cradle resigned from her job? G.K.J.

Whether a wife shall keep her job or not after the war is an individual question. Your wife, like thousands of other women, feels she has finished her job of bearing and bringing up her child and is now entitled to an economic life of her own. Her case is entirely different from that of a younger woman who leaves several young children improperly cared for while she continues to work outside the home, to enjoy more spending money.

Naturally, you're less comfortable and happy in your home with the homemaker away, and any fair-minded person would sympathize with you and the thousands of men in your position. Any strict rule concerning "woman's place" cannot cover all cases. And women themselves are often confused as to what course they shall follow.

Seek Reduced Hours

A petition signed by civil servants at H.M.C. Dockyard, asking for a reduction of half an hour in their work day, as promised by Prime Minister Mackenzie King, to commence on July 1, will be presented to the naval officer in charge at Esquimalt in the near future. The petition is being circulated throughout every department at the dockyard.

Baptist

CENTRAL

Rev. Dr. J. B. Rowell, pastor, will preach on "Jehovah Hath Triumphed"

Gloriously at 7:30 p.m. Victoria Purple Star Lodge, L.O.B.A., will attend the morning service, when the message will be "Justification by Faith, a Great Cornerstone of Protestantism."

FIRST

Rev. Dr. Hugh A. McLeod will preach at both services. His sermon theme in the morning will be "Following Up Our Victories," and in the evening "Man's Predicament and God's Salvation." Dr. McLeod will occupy the pulpit for the first three Sundays in July, and for the remainder of the Summer preachers will be Rev. Dr. Andrew Roddan, First United Church, Vancouver, and Rev. Dr. Allan Lorimer, Plymouth Congregational Church, Seattle.

METROPOLITAN

The minister, Rev. Dr. A. E. Whitehouse, will preach both morning and evening. His subjects being "Facing Life With Steady Eyes" and "The Man That Shall Be." Mrs. Gordon Brown will be soloist in the morning, and at the evening service Miss Margaret Myles, Tacoma, and H. L. Harnsworth will sing. A fellowship hour for servicemen and women and young people will follow the evening service.

FAIRFIELD

Public worship will commence at 11 a.m., when Rev. W. Allan will take as his subject "Religion Begins at Home." Miss Isabel Pike, organist and choir leader, who has returned following a year's absence, will assist as soloist. In the evening the pastor will discuss "The Danger of Self-Pity," and Mr. and Mrs. P. C. Richards will sing a duet.

JAMES BAY AND VICTORIA WEST

At Victoria West at 11 a.m. and at James Bay at 7:30 p.m. the minister, Rev. J. C. Jackson, will preach, taking as his subject "Patching an Old Garment."

OAK BAY

Rev. Dr. W. W. McPherson will be in charge of both services, discussing "Why Be Religious?" at the morning service, and "The Gift of Rest" in the evening.

ST. AIDAN'S

Rev. Dr. W. G. Wilson will be guest preacher at the morning service.

BELMONT

Rev. Dr. T. E. Holling will conduct both services, his subject in the morning being "The Christian Theist," and in the evening, "The Bundle of Life."

CENTENNIAL

The minister, Rev. Dr. J. A. Doyle, will take as his subject at the 11 a.m. service, "Ministry of Reconciliation." At 7:30 p.m. his subject will be "He Shall Be Like a Tree." Soloists for the day will be J. F. Oskman and J. Almond.

Presbyterian

ST. ANDREW'S

In the absence of the minister, morning and evening services will be conducted by Rev. J. B. Skene, of Central Church, Vancouver. His subject in the morning will be "Jesus Standing," and in the evening "Why Did Jesus Die?" A quartette consisting of Miss Peggy Walton, Mrs. R. H. Tait, S. Honeychurch and A. W. Trevell will sing at both services. Mrs. Tait will be soloist at the morning service, and Miss Walton at the evening service.

ST. PAUL'S

The sacrament of the Lord's Supper will be administered at the morning service, and will be repeated in the evening for those unable to attend in the morning

TWO-TOWN MERGER

Friedrichshafen is a merger of the ancient town of Buchhorn and the village of Hofen.

Duke in Canada

CAMPBELLTON, N.B., July 6 (CP)—The Duke and Duchess of Windsor have arrived in New Brunswick for a "week or so" of fishing along the salmon-filled Restigouche River.

The Duke and Duchess came by train from Boston to Van Buren, Me., and then by car through northern New Brunswick to the little settlement of Kedgewick Landing. They were accompanied by Mr. and

Mrs. I. W. Killam, of Montreal, whose guests they will be. They will fish the private waters of the Restigouche Salmon Club.

Meet at Qualicum

VANCOUVER, July 6 (CP)—Union of British Columbia Municipalities will hold its 1945 convention at Qualicum Beach, September 6 and 7, it was decided at a meeting of the Union Executive here today.

Playground to Open

A four-week supervised playground will be formally opened at Gorge Park at 2 p.m. on Monday, with Mrs. J. Raven to charge daily from Monday to Friday, 11 a.m. to 2 p.m. Children may register at the west end of the park on Monday morning. Volunteer workers are asked to report to Mrs. Raven after the formal opening.

NO. 174—EIGHTY-SEVENTH YEAR

VICTORIA, BRITISH COLUMBIA, SATURDAY, JULY 7, 1945

SPORTS SLANTS

By SID THOMAS

OAK BAY C.C. IS

LOOKING AHEAD

Looking to the future when Oak Bay will again be a contender in the championship race of the Victoria and District Cricket Association, the newly-organized Oak Bay Cricket Club is wisely bringing along a number of promising youngsters, many of whom have already made their presence felt on the cricket pitch.

Take 13-year-old Booth, one of their bowlers. Playing against Spencers last week, this young lad clean-bowled six of the opposition's best batsmen, which was rather an extraordinary performance for such a young player. Booth has a good speed, and keeps an excellent length, and if he stays with the game should develop into a really first class bowler.

The wicketkeeper is D. Sherratt, another 13-year-old cricketer. He shows great promise behind the wickets, and with a couple of years' experience should develop into a grand player. I. V. Godfrey is another promising bat and bowler, and with a little more confidence will soon be making plenty of runs.

B. Scott is the best bat of the younger ones. He has good style, and is a fairly fast scorer, making 37 not out against the Royal Navy's first team. He should become a very useful bat, and there is every indication of him being well above the average. He is also a good fielder.

There are about another dozen youngsters who show every indication of becoming really useful cricketers, and before long those associated with the Oak Bay Cricket Club feel confident they will have a team made up of young men that will be capable of meeting all opposition. Here's wishing them every success.

MORE GOSSIP ON PROFESSIONAL BALL

Victoria continues to be the point of interest in the proposal to revive the Western International Baseball League. Yesterday we had as a visitor C. R. Stark, former sports editor of The Spokane Review, who informed us that Bill Ulrich, holder of the Spokane franchise, will be a Victoria visitor in the near future. "Spokane," Mr. Stark stated, "is waiting for professional baseball to be resumed in that city, and the present holder of the W.I.B.L. franchise is also anxious to get started." Failing the revival of the now defunct Western International Baseball League, Spokane interests would like to get a berth in the Pacific Coast League," he added.

We learned that Spokane was one of the best drawing cities in the circuit, and a few years ago set a national record for attendance at Class "B" ball with 275,000 in one season. We also found out that Bill Ulrich, Spokane owner, has visions of an eight-team circuit, and would very much like to see Victoria included in the set-up.

With George Norgan, Portland Beavers' president, Spokane interests and one other party reportedly moving to get Victoria back into professional baseball "the chances appear fairly bright. Surely if so many of the 'boys in the know' figure this a good city for a professional club the rest should be easy. In the meantime, however, we are prepared to sit back and wait. This is another of those questions which time alone can answer. And it should not be a long wait.

FOOTBALL COACH

TORONTO, July 6 (CP).—Harry Bonshine, former star lineman for Queen's University, Toronto Argonauts and Toronto Balmy Beach football teams, will coach the Toronto Indians entry in the Ontario Rugby Football Union this year, club officials said today.

Bonshine last year was playing line coach for Balmy Beach in the O.R.F.U.

There is no duty we so underrate as that of being happy.

LET GEORGE FIX IT!

No the weather-hel or cold. You'll find great consolation, if you will insulate your home with the proper insulation.

Holmes Shatters National League Batting Record

Surpasses Roger Hornsby's 33-Game Hitting Mark Set in 1922 as Boston Beats Pirates

BOSTON, July 6 (AP).—Apparently saving his greatest single day hitting performance for a record-smashing feat, Tommy Holmes shattered the National League's modern mark by hitting safely in his 33rd and 34th consecutive games today as Boston Braves swept a double-header from Pittsburgh Pirates by top-heavy 13-5 and 14-8 margins.

The major league's batting leader, who jumped six points to 496 during the double bill, wiped out Rogers Hornsby's 33-game mark, set back in 1922, the hard way.

A left-handed batter, he doubled his first time up in both games against southpaw pitchers Ad. Gehrheiser and Prescher Roe.

Holmes went to bat 10 times, five in each contest, and totaled a home run, four two-baggers and a single. Those mighty blows drove in a total of six runs, thereby enabling Tommy to take the lead for both leagues in that department with a 66 total.

Holmes also is pacing the majors in manufacturing hits, 124 runs and two-baggers 24. He and teammate Chuck Workman are only one behind this year's top homer slugger, the Giants' Ernie Lombardi, who got his 14th today to break his dead-lock with St. Louis Browns' Vern Stephens.

The Braves belted a Pittsburgh pitching trio for 12 hits in the opener, which they clinched for Nate Andrews by putting on a six-run rally in the seventh inning after that finger had been yanked for super pitch-hitter Butch Neuman, who homered with three on and two out.

After going three for five in the opener, Holmes had to wait while the nightcap was delayed for 64 minutes by a heavy shower before he had his first crack at Roe. But Tommy whaled his second pitch for two bases.

First game—R. H. E. Pittsburgh—110 000 300—5 9 3 Boston—021 200 62x—13 12 0 Batteries: Gehrheiser, Beck, Rodriguez and Salkeld; Andrews, Cooper and Hoffert.

Second game—R. H. E. Pittsburgh—200 001 005—8 13 2 Boston—370 020 02x—19 19 2 Batteries: Roe, Beck, Gables and Lopez; Hendrickson and Hoffert.

CINCINNATI REDS NOSE OUT GIANTS

NEW YORK, July 6 (AP).—Taking advantage of New York's inability to hit in the pines, Cincinnati Reds gained their first victory over the Giants in seven National League starts this season when young Howard Fox shaded Van Mungo 3-2 today.

The Giants combed the rookie's right-handed offerings for nine hits and coaxed seven bases on balls, but hit into three double plays to spoil promising rallies and stranded 12 runners on the basepaths.

First game—R. H. E. Cincinnati—000 300 000—3 8 0 New York—000 010 010—2 0 1 Batteries: Fox and Riddle; Untermyer; Munson and Lombardi.

CARDS HAND DODGERS IS TO 3 SHELLENGER

BROOKLYN, July 6 (AP).—Brooklyn's National League lead shrunk to one game tonight as St. Louis Cardinals handed the Dodgers their worst beating of the season, 15-3.

DO FISH TALK? Answer Monday

3066503 SERVICE NUMBER OF LEONARD JAMES JONES READS THE SAME BACKWARDS

3RD CHILD - BORN 3RD DAY OF 3RD MO. ENLISTED 3RD TIME AT AGE OF 33 YRS IN U.S. RESERVES 3 - CAPTAIN CO. 515 LEFT FOR SERVICE OCT. 3 WROTE 13 LETTERS HOME AND ARRIVED HOME 3 PM ON A 3 DAY PASS

THE ABOVE SKETCH WAS PUBLISHED LAST NOVEMBER, 1944. THE FOLLOWING LETTER WAS JUST RECEIVED

Dear Mr. Ripley: The 3's followed Capt. James Jones to the end. He was killed in action in Germany on the 3rd day of the 3rd month, 1945. His devoted sister, Eddie Jones

EXPLANATION OF SUNDAY'S CARTOON The Real Joe Miller—The real Joe Miller was an actor who played the gravedigger in Hamlet but never told any jokes. He could neither read nor write, and married a literate wife to read his parts to him. Joe died in 1738. In 1738 John Motley published the famous Joe Miller's joke book. Originally, the collection contained 247 jokes. Each time the book was republished the number of jokes grew, until it now contains 1,286 jokes, none of which was ever known to Joe Miller.

Please address all queries to Cartoonist Ripley, c/o King Features, New York City, N.Y.

Covers "Hot Corner" for Bluejackets

DICK LATIFF

JUSTLING sailor infielder, who will guard the third base for the Navy in today's matinee baseball fixture with the R.C.A.F. Gordon Carpenter, ace right-hander, will go to the slot for the bluejackets, with Doug Sutton, Flyers' wrong side, doing the hurling for the Pat troops.

Baseball School to Open Monday at Athletic Park

Victoria's baseball-minded youngsters will "go back to school" next Monday, with Royal Athletic Park as their classroom and lectures and instruction on how to play baseball as their subject matter for the next month.

For Monday marks the official opening of the Victoria Baseball Association's first wartime baseball school. Instruction will be free and classes will be held twice daily at the Caledonia Avenue ball lot. Enrollment is open to all boys 16 years of age and over.

Actually it will be the third such school organized by the Victoria Baseball Association. Two previous schools were held at Royal Athletic Park and they proved very successful. The decision to revive the plan of free instruction was reached following a survey in which more than 100 boys expressed their desire for such a school.

W. J. Cull, president of the Victoria Baseball Association, announced yesterday that all boys planning to attend the school will have to register. Forms used in the survey will not be accepted as registrations. In order to facilitate the registration of students officials of the Victoria Baseball Association will be at Royal Athletic Park tomorrow from 10 a.m. to 12 noon.

Instruction in the baseball school will be given by Laurel Harney, veteran ball player and former playing coach of the Victoria Machinery Depot nine. Harney has had a long and varied career on the baseball diamond and is well equipped for his important position of teaching young Victorians how to play the game.

stein and The Associated Press saw it as six and fives. Lamotta had a 12-pound weight advantage at 167 to 149.

Marchildon Will Rejoin Athletics

PENETANGUISHEN, Ont., July 6 (CP).—Philip (Babe) Marchildon, who left Philadelphia Athletics of the American Baseball League in 1942 to enlist in the R.C.A.F. left tonight for Detroit.

The big right-handed pitcher, who returned recently to his home here after being liberated from a German prison camp, said he will meet Conny Mack, manager of the Athletics, in Detroit. Marchildon said recently he expected to be ready to pitch again in a few weeks.

Marchildon was taken prisoner after parachuting from his smoking plane over Denmark.

NAMED PRESIDENT

HAMILTON, Ont., July 6 (CP).—Maj. Hawley (Huck) Welch, one of football's outstanding kicking halves a decade ago, has been appointed president of Hamilton Tigers in the Inter-Provincial Rugby Football Union club headquarters announced tonight.

LOUIS RETURNS

CAMP SHANKS, N.Y., July 6 (AP).—Sgt. Joe Louis, world's heavy-weight boxing champion, returned today from a 21,000-mile trip during which the army said he visited military installations and army and navy hospitals in the United States, Canada and Alaska.

See Action in Tonight's Boxla Game

Members of the Jokers senior guffed stick-aggregation, who will be on the starting lineup of the blackbirds for tonight's battle with the Navy at the Main Building, Willows Exhibition Grounds. Jokers and Murdies junior clubs will meet in the preliminary contest at 7 p.m., with the seniors slated to swing into action at 8:30 p.m.

Gordie Hayward's Sports Club jumped back into a first-place tie with Joe Posters in the first division of the Women's Section Fastball League and the second division leaders. Clerks' Union, suffered their first defeat of the season in two games at Central Park last night. The former outlasted the R.C.A.F. (W.D.) in a slugging match to take a 12-9 verdict, while the latter could not hold an early lead and took the short end of a 19-12 count as the teams made merry on the bases. V.M.D. received credit for a win in a third scheduled game when Rapco Paint failed to put in an appearance for the second consecutive time.

In a juvenile fixture, Kiwanis O.K.'s dropped a close 12-11 decision to the Balmoral Thistles.

Holding a 4-3 lead going into the fifth frame, Sports Club rammed over five runs and followed up with two more in the sixth and a singleton in the seventh to enable them to hold their advantage despite a dangerous threat in the seventh by the losers, which was not snuffed out until five runs were in. Jessie Holding, hard-hitting catcher-first sacker of the winners, opened the scoring for her club in the second with a two-run homer. Catcher Bodman, of the losers, hit for the circuit in the sixth.

Clerks' Union, who had won nine straight up until last night, scored four in the first to take an early lead, came back with four more in the second after Adverts counted six times to take a momentary lead, but could not stop the heavy hitting of the winners, who went on to score four in the fourth, three in the sixth and wind up with another six-run outburst in the seventh. Losers rallied for three runs in their last turn, but fell far short. The win moved the Adverts within two game of the leaders.

Short score: R. Sports Club 026 252 1—12 R.C.A.F. 100 201 5—9 Batteries: Hanna and Holding; Kerr, Denison and Bodman.

Adverts 060 403 6—19 R.C.A.F. 440 010 3—12 Batteries: McCulloch and Blair; Pollard and Trevelyan.

Flyers Check in With 9-2 Victory Over the Eagles

Bill McDonald, R.C.A.F. Hurler, Scatters Five Hits—Birdmen Are Wobbly in the Field

Using the lowly Eagles to get back into winning stride, R.C.A.F. tightened their grip on third spot and moved within two games of second place when they posted an easy 9-2 setback on the birdmen at Athletic Park last night. The airmen will have a chance to move closer in the standings this afternoon when they engage the sailors in the matinee attraction of the regular Saturday twin bill.

Helped along at intervals by costly errors by their opponents, the flyers looked like winners all the way against an Eagles club that seemed to lack much of the fight that has characterized most of their losing performances.

Misuses by Yardley and Rafferty gave the winners three unearned runs in the first. Worth held them scoreless for the next two frames, but two singles, a couple of wild pitches and the first of Catcher Lamone's three errors sent two in the fourth. Worth managed to survive the fifth, but went to the showers in the sixth when Killam, McDonald and Richardson greeted him with singles to open the inning.

Lovell came in and went the rest of the way, getting nicked for a brace of runs in the eighth when Lamone made two bad throws to second to put runners on third, whence they scored on a single and an outfield fly.

Losers put together a base on balls, two infield outs and a single for their first run in the third and counted their last when Rafferty hit fielding the ball and the third sacker scored on McLeellan's single.

Barlow and Pay, finding it a relief to get away from right-handed curve balls, each reached Worth for three hits to lead the attack for the R.C.A.F. Hustling Jack Richardson also picked up a trio of safeties. No Eagle batter was able to reach McDonald for more than one hit as the right-hander scattered five blows and was never in serious trouble, although bothered at times with lack of control.

Highland Games to Be Held At Macdonald Park, July 28

Arrangements for the eighth annual Highland Games at Macdonald Park on Saturday, July 28, were completed at a recent meeting of the executive, Secretary J. Mackay announced last night.

A total of 78 events, including track and field, and dancing, have been listed on the program. Dancing and individual piping events will commence at 9 a.m., with the track and field events slated to get under way after the official opening at 2 p.m.

A wide range of events are listed on the program, including dancing for amateur and professional performers, piping events from

to professional, and a full list of track and field competitions for both men and women athletes. Junior classes are also included in the track and field competitions from the 100-yard dash right up to the heavy field events.

For the past number of years the Highland Games have become one of the outstanding events on the yearly sports calendar and officials are confidently expecting this year's meet to be one of the most successful ever staged. All proceeds are devoted to Scottish war efforts.

Additional information may be obtained from the secretary by dialing #9138.

Racing Results At Santa Anita

LOS ANGELES, July 6.—Race results at Santa Anita follow:

FIRST RACE—Five and one-half furlongs.

Roman Belle (Lundgren) \$4.00 \$4.10 \$2.50

Burgundy (Westover) 11.00 12.00

Time 1:02.4. Scratched: Cassa, Reddick.

SECOND RACE—Six furlongs.

Kelly (Westover) \$4.70 \$4.80 \$3.00

Calypso (Westover) 11.00 12.00

Time 1:04.5. Scratched: Lundy, Park.

THIRD RACE—Five and one-half furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

FOURTH RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

FIFTH RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

SIXTH RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

SEVENTH RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

EIGHTH RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

NINTH RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

TENTH RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

ELEVENTH RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

Twelfth RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

Thirteenth RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

Fourteenth RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

Fifteenth RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

Sixteenth RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

Seventeenth RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

Eighteenth RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

Nineteenth RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

Twentieth RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

Twenty-first RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

Twenty-second RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

Twenty-third RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

Twenty-fourth RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Time 1:04.5. Scratched: Lundy, Park.

Twenty-fifth RACE—Six furlongs.

Warrior (Westover) \$4.70 \$4.80 \$3.00

Morgan and Howard Share Swim Trophy

Jack Morgan and Graham Howard will share possession of the Saffrey Trophy until the Fall swim begins.

A result of finishing in a first-place tie in the Y.M.C.A. weekly handicap swim series just ended. Both finished with a total of 18 points. Jack Crenson was a close third, with 16½ points.

Ina Salmon won the girls' competition with 17 points and will hold the Green Bailey Trophy. Jean Mills had 14 points to finish second, while Maureen Walsh and Myfawyn Nixon tied for third with an aggregate of 11 points each.

All proceeds are devoted to Scottish war efforts.

Continue Efforts to Release Army Huts for Returned Men

Major Gen. G. R. Pearkes, V.C., M.P. for Nanaimo, revealed yesterday that efforts were still being made to release a number of unused army huts in the vicinity of Patricia Bay air station to house returned servicemen, their families and war workers.

Major Gen. Pearkes, in a letter to Major Gen. F. Worthington, O.C. in C. Pacific Command, who said the huts had been declared surplus requirements and would be released on requisition of Air Vice-Marshal L. P. Stevenson, housing administrator at Vancouver.

Air Vice-Marshal Stevenson assured Major Gen. Pearkes the huts would be released if some organization would take them over, make various alterations and provide administration. It was noted that emergency shelter administration of huts have no authority to collect rents.

On Thursday afternoon Major Gen. Pearkes journeyed to Sidney to discuss the matter with R. Ford, chairman of the Sidney Citizens' Committee. Col. Lee-Wright, official of the Sidney Hostesses' Club and other interested groups. On their suggestion he wrote to the War Office Housing Unit, Vancouver, asking that they take over the army huts, make alterations and prepare them for use by servicemen and workers.

There are two separate camps involved. Major Gen. Pearkes explained, one at the junction of Wilson and Munroe Roads with 12 huts, and the other on Mills Road with 36 huts. Each camp is provided with water, electricity and drainage. They are well constructed and in many cases require little or no alterations. Some of the larger huts could easily be made into duplex units. There is a good school within a mile of the camp. Major Gen. Pearkes explained.

Seek Additional U.B.C. Housing

Temporary accommodation for demobilized servicemen and women, expected to attend University of British Columbia enrollment to a new record, is being sought.

Premier John Hart interviewed on Wednesday by Dr. Norman MacKenzie, U.B.C. president, has promised to take up with Ottawa the possibility of using abandoned army barracks near the university.

Dr. MacKenzie stated the barracks were close enough to be used where they are or could be moved to the university grounds. He estimated a minimum requirement of 2,000 and said the last year more than 1,000 students the university was seriously overcrowded.

Other estimates of U.B.C. attendance are as high as 5,000, according to him and women. Dean Daniel Buchanan, speaking to Summer Session students at the University, stated arrangements were being made for laboratory work at night to accommodate the large classes.

This year's session of the Legislature allocated \$5,000,000 for extension of the university, but so far it has not been possible to use it. Dr. MacKenzie said Premier Hart would take up the question of premises during his visit to Ottawa next month.

Aldermen to Welcome Returning Veterans

Aldermen W. H. Davies and F. G. Mulliner have been appointed by Mayor Denis E. George to welcome returning soldiers on behalf of the City Council.

Working closely with the Red Cross they plan to meet each afternoon to personally greet returning veterans.

Alderman Davies stated that one of the greatest needs was care to any veteran, to their families, and to their homes. He asked the city to leave their names and addresses at the City Hall.

A welcome home banquet will be held each Wednesday evening from 8 to 10 p.m. in the Grand Hotel. To which all returned men are invited. Those who cannot attend are asked to send a letter to the City Hall, stating their name, address, and the name of the person to be invited.

On the main floor of the hotel, the committee will be in charge of the program, providing dining and informal entertainment.

Turn Over Land For Servicemen

Seven hundred acres of land in the Gaston district, South Vancouver, have been turned over to the Federal Housing Board for the purpose of being developed by servicemen.

Arrangements for the transfer were made at Victoria by R. G. Webster, M.L.A., following receipt of a letter from Fred H. Macpherson, Ottawa, director of the Soldier Settlement and Land Act.

At present the land is owned by the Indian and Northern Affairs Department. It is being developed under an irrigation scheme.

There is already some irrigation land in the vicinity, and it is expected the entire area might eventually be covered.

In addition to the land, the board has a number of houses which might also be made available for soldier settlement if desired.

Film Forum Meeting

Using six negatives to make a picture depicting a holiday at a beautiful A. Puckering gave a demonstration of photo montage at the weekly meeting of the Y.M.C.A. Camera Club on Thursday night.

Jack Vatel, president, reported that the next photo forum would be held on July 10. Two films have been reserved. One entitled "When Was I Born" shows the growth of the United States and the other "The Story of the British Empire" shows the growth of the British Empire.

Saskatchewan Picnic

The Saskatchewan Association of Greater Victoria has had a picnic at 3 p.m. next Wednesday at Willows Beach. The program will include sports for children and adults and the Victoria Boys' Band will attend. Visitors and former residents of Saskatchewan are invited.

Cadets in Gymnastic Display at Royal Roads

An interesting feature of the Graduation Ceremonies at Royal Canadian Naval College, Royal Roads, was a Display of Precision Gymnastics by 45 Senior Cadets Who Were Graduated as Midshipmen. A Group of Cadets is Shown in the Above Photograph Jumping Over 'High Horses'.

One-Hour Flight Thrills Air Cadets

An air cadet of Victoria was back in the air yesterday, flying a biplane over the city. The cadet, who is a member of the Royal Canadian Air Cadet Corps, was flying a biplane over the city. The cadet, who is a member of the Royal Canadian Air Cadet Corps, was flying a biplane over the city.

City and District

To Present Plans—Major Gen. G. R. Pearkes, V.C., M.P. will travel to Nanaimo today to present plans for the proposed Red Cross hospital at the city.

City Publications—The City of Victoria has published a new directory for the city. The directory is a comprehensive list of the city's residents and businesses.

Supports S.P.C.A.—The Victoria S.P.C.A. has received a large sum of money from the city. The money will be used to support the S.P.C.A.'s work in the city.

On Directorate—W. A. Davies, a member of the city's directorate, has been appointed to the directorate. He will be responsible for the city's affairs.

Building Permits—A permit for a building has been issued by the city. The permit is for a building in the city.

Service Station—The Victoria Service Station has been opened. The station will provide service to the city's residents.

Commission to Sit—A commission has been appointed by the city. The commission will be responsible for the city's affairs.

Mayor Visits—Mayor Denis E. George has visited the city. He will be responsible for the city's affairs.

Editor on Visit—The editor of the city's newspaper has visited the city. He will be responsible for the newspaper's affairs.

To Attend Executive—A meeting of the city's executive has been held. The meeting will be responsible for the city's affairs.

His Visit—A visit has been made by a member of the city's executive. The visit will be responsible for the city's affairs.

To Display Prints—A display of prints has been made by a member of the city's executive. The display will be responsible for the city's affairs.

Shipyard Holidays—The shipyard has been closed for holidays. The shipyard will be responsible for the city's affairs.

New Appointments—New appointments have been made by the city. The appointments will be responsible for the city's affairs.

Big Land Tracts Sold—Large land tracts have been sold by the city. The sale will be responsible for the city's affairs.

Public Hearing—A public hearing has been held by the city. The hearing will be responsible for the city's affairs.

Seek Instructor—The city is seeking an instructor. The instructor will be responsible for the city's affairs.

Sunday School Picnic—A picnic has been held by the city's Sunday school. The picnic will be responsible for the city's affairs.

Attend Grass Fires—Grass fires have been attended by the city. The fires will be responsible for the city's affairs.

Pitch Tent—A tent has been pitched by the city. The tent will be responsible for the city's affairs.

Exhibition—An exhibition has been held by the city. The exhibition will be responsible for the city's affairs.

City Will Oppose Plea of Firemen

Application of the British Columbia Provincial Association of Fire Fighters to the Workmen's Compensation Board for a ruling that a special first aid vehicle must attend fires where 33 or more firemen are present will be strongly opposed by the city through A. J. Patton, city solicitor.

Mr. Patton will point out that the city police patrol wagon attends all fires manned by qualified firemen. Reporting the action to be taken, Alderman H. M. Duggan, chairman of the fire wardens said provision of a special first aid vehicle would involve needless expense.

Controversy on Gasoline Sales

Passage of a by-law by the City Council, which would require all gasoline service stations to remain closed on statutory holidays, will be strongly opposed by the Chamber of Commerce, tourist trade group and district.

At the same time, gasmen and members of the Automotive Maintenance Workers' Union are opposed to the by-law.

George W. Johnson, business agent of the union, said that the by-law would be a hardship on the gasmen. He said that the by-law would be a hardship on the gasmen.

Johnson said that the by-law would be a hardship on the gasmen. He said that the by-law would be a hardship on the gasmen.

Four Men to Face Charge of Assault, Entry, at Assizes

Maurice and Leonard Woodley, Jack Sedgwick and Welsh Lee, charged with assaulting and causing actual bodily harm to Albert J. Jackson, were committed for trial at the Fall Assizes, on completion of a preliminary hearing before Magistrate J. H. Patton.

Mr. Patton will point out that the city police patrol wagon attends all fires manned by qualified firemen. Reporting the action to be taken, Alderman H. M. Duggan, chairman of the fire wardens said provision of a special first aid vehicle would involve needless expense.

Sun Madras Cops Feature On Mainland

VANCOUVER, July 6 (CP)—Sun Madras, odds-on favorite in the fifth race, feature run at Lansdowne Park today, won with ease after leading from start to finish.

Breaking on top, the chestnut colt of Sun Beau and Madras, was two lengths in front at the half-pole and was never in danger, although Earlworth forced Eddie Neal aboard the winner to drive hard through the final eighth.

The first accident of the 1945 season occurred in the fifth when Earlworth balked at the gate, throwing "Buddy" McCown. The race was delayed while the field and rushed to hospital. Extent of his injuries was not known immediately.

Willie Hawksworth, taking over, broke Earlworth second from the gate and held that position throughout to finish one length behind the winner.

Sun Madras paid \$3.40, \$2.80 and \$2.25.

Lamb Child, one of the Mexican imports from the Rancho El Refugio Stable, broke slowly from the gate and never had a chance, although showing a nice turn of speed.

Sun Madras combined with Flag-boro, winner of the fourth, to make the second daily double worth \$5.35. The first double, Pilgrim's Pride to Top Note, paid \$8.45.

Patterson and Mrs. Nicholl Top Trundlers

Finishing the season's play with a mark of 229, Jack Patterson, Seven Up trundler, topped the men's averages in the Spring Fifteen League.

at Gibson's Bowldrome, according to official statistics made public yesterday. Mrs. M. Nicholl, of the Doodle Bugs, set the pace in the Women's Section with an average of 217.

High single game honors went to K. Babb, of the Do-Dads, with 396, and Hilda Hobday, of the Electrons, with 332, wife H. Newton, Neighbors, and Kay Bolton, Orange Crushers, topped the three-game scores with 818 and 853, respectively.

Seventy teams, comprising approximately 400 players, participated in the league, which was divided into seven sections of ten teams each. In the play-offs, the first, second and third-place winners in each section met in the post-season series.

Dynamiters won the play-off between the seven first-place teams, rolling up a total score of 5,518 to top their nearest rivals, N.W. "Reds," by 251 pins.

Swifts won the second-place play-off with a total of 3,098 pins, followed closely by Mosquitos with 5,003, while Abestones captured the third-place play-off by the small margin of 26 pins over the runner-up, Atlas Coffee Shop.

The statistics follow:

LOS ANGELES, July 6 (AP)—The Seattle Rainiers shut out the Los Angeles Angels for the third consecutive time tonight for a fourth victory in five games of the present series.

Carl Fischer, veteran left-hander, won the 2-0 pitching duel from Charley Cuelier.

R. H. E. Seattle 000 001 100—2 2 9
Los Angeles 000 000 000—0 0 3
Batteries: Fischer and Sueme, Cuelier and Kretling.

OAKLAND ACORN DROPPERS BEATERS FOR THIRD TIME

OAKLAND, July 6 (AP)—The hard-hitting Acorns, behind the pitching of Mitchell Chetkovich, drubbed the circuit leading Portland Beavers, 6-2, tonight to assume a 3-2 lead in their Pacific Coast League series.

R. H. E. Portland 000 100 000—1 10 1
Oakland 000 102 303—6 13 1
Batteries: Tising, Gunnarson (R) and Souza; Chetkovich and Kearse.

FLETCHER BACKS UP LATH WIN FOR SOLONS

SACRAMENTO, July 6 (AP)—Spotted to a five-run lead by the end of the sixth inning, Guy Fletcher coasted to his 14th win of the season as the Sacramento Solons defeated San Francisco's Seals, 7-2, here tonight before 4,558 customers.

The victory gave Sacramento a 4-1 buge in the series. R. H. E. San Francisco 000 000 020—2 10 1
Sacramento 000 041 022—7 9 0
Batteries: Crelis, Pierce (R) and Sprague; Fletcher and Schlueter.

SAN DIEGO NOSES OUT SACRAMENTO

SAN DIEGO, July 6 (AP)—Bob Ferguson, San Diego right-hander, limited Hollywood to six hits tonight as his teammates pounded Bob Williams for ten safeties and a 5-4 Coast League victory. R. H. E. Hollywood 200 000 200—4 6 1
San Diego 004 010 005—5 10 2
Batteries: Williams and Krause; Ferguson and Ballinger, Grigg (R).

Vancouver Forecast
Fair and warm with moderate winds.

QUICKIES
BIRMINGHAM, England (CP)—Robert Dutton Williams, secretary of The Birmingham Post and Mail, Ltd., collapsed and died in a Birmingham Victory parade. He had been with The Post and Mail for 40 years.

Log Moving Down
VANCOUVER, July 6 (CP)—Shortage of logs at Lower Mainland sawmills now has been alleviated to a large degree, chiefly due to good weather, which has permitted towboats to get log booms down the coast in a steady flow, towing men reported today.

Some mills were forced to shut down through the log shortage, but practically every one of these now is back in operation.

Until a few weeks ago, high winds and heavy seas tied up towing along the coast for part of practically every week.

LONDON (CP)—The Ministry of Aircraft Production has been responsible for building more new factories in Scotland than all other industries put together. Twenty-nine new factories were built and 11 were extended or converted.

BORN IN VERONA
Verona was the birthplace of Catullus, Roman lyric poet.

"By golly, The Colonist Want Ad does say Lighthouse keeping is not a night-sleeping job."

Previously Missing, Now Reported Killed in Action—Lindsay, Donald McLeod, W.D., Vancouver.

HILDENBOROUGH, Kent, England

A village hall will be built here as a war memorial and as a temporary measure names of village men killed in this war will be engraved on the 1914-18 memorial cross.

Engineer Victim Of Hotel Blaze

WINNIPEG, July 6 (CP).—The disastrous July 1 hotel fire at Red Lake, Ont., claimed its ninth life today when Maj. W. P. Rainier, soldier, author and mining engineer, died in hospital here.

Rushed here by "mercy" plane, he succumbed after responding well to early treatment. His wife, who

resides in Huntville, Ont., was at his bedside.

Maj. Rainier was born at Swaziland, South Africa, and was one time consultant to the Government of Colombia. In Egypt when the present war broke out, he volunteered for service with the Royal Engineers. Later he transferred to the staff of Field Marshal Montgomery.

During the African campaign he supervised the construction of 100 miles of water pipeline behind the

army. Scores of wells were drilled and use made of reservoirs constructed by Roman soldiers 2,000 years before.

Mrs. Rainier said today in an interview her husband's life was one of "constant action. He was happiest in the thick of danger."

She said her husband had been asked this Spring by a New York syndicate to go to a Canadian mining area of his choice and make a detailed report.

He chose Red Lake and had al-

ready started a diamond drill campaign on property owned by the Virginia Red Lake Gold Mines.

Others who have died as a result of the fire are: James Walker, Fort Credit, Ont., prospector; Andrew Szaura, 36, Polish emigrant; Charles M. Keech, Red Lake; Lester Raj, Red Lake; Mrs. Don McLaren, Red Lake; Sam Kanger, Red Lake; James Shand, Wapella, Sask.; and Gladys McAulay, Red Lake.

Six other victims were undergoing treatment in hospital here. Officials

said they are doing as well as expected.

Body of Maj. Rainier will be taken to Toronto tomorrow for cremation.

GOES TO PACIFIC

WASHINGTON, July 6 (AP).—Gen. Carl A. Spaatz, who directed United States strategic bombing that helped level Germany, today was given the same assignment in the Pacific, it was announced.
